

Assessment & Accountability

To support and promote the vision of the Superintendent's Office of Public Instruction, the Assessment and Accountability department center's its work on defining assessment value, engaging stakeholders, advancing mutual responsibility, and promoting assessment literacy (DEAP).

Define the value of Idaho's comprehensive assessment program

Engage stakeholders in the development, principles, and application of assessment and accountability

Advance mutual responsibility in Idaho's accountability system

Promote assessment literacy of Idaho's comprehensive assessment program

ISAT

The ISATs are Idaho's year-end assessments in ELA, Math, and Science. Also available are tools for teachers and interim assessments.
