**State Department of Education Postpones Statewide
Legislative Roadshow Until Legislature Adjourns**

(Boise) – Planned and scheduled months in advance, the State Department of Education hosts an annual Post Legislative Roadshow to discuss the legislative session and all of the latest Idaho education developments with school officials.

Due to the duration of this year’s legislative session, the department will postpone its roadshow events scheduled for April 2, 3 and 4 to a later date. This scheduling change does not impact the roadshow events scheduled in north Idaho for April 24 and 25.

When dates for the postponed events are set the media and school officials will be updated.

Current information about the roadshow schedule also will be posted to

<http://www.sde.idaho.gov/events/leg-roadshow/>.
