

*Advanced Opportunities*

technical  
**ROAD  
SHOW**

## Save The Date!!!

The Advanced Opportunities Support Team along with other colleagues from the SDE will be hosting an Advanced Opportunities Technical Roadshow in May of 2018. This event will go over all technical changes and updates related to the following topics:

High School Graduation Requirements  
Advanced Opportunities  
Advanced Placement  
College Advisors and Career Mentors  
College Entrance Exams  
STEM diploma  
High School Credit for Middle School Students  
Four Year Learning Plans;  
Dual Credit Transcription  
College Course Transferability

At the event, guidance will be provided related to statutes and rule updates that will take effect for the 2018-2019 school year. This event is recommended for secondary principals, secondary counselors, college advisors, career mentors, high school career advisors, registrars, and college personnel who work with high school students on a regular basis. One event will be hosted in each region of the state from **8:30am to 12:00pm** on each of the following dates:

May 1<sup>st</sup>- Twin Falls  
May 2<sup>nd</sup>- Idaho Falls  
May 3<sup>rd</sup>- Pocatello  
May 21<sup>st</sup>- Lewiston  
May 22<sup>nd</sup>- Coeur d'Alene  
May 30<sup>th</sup>- Boise
