[U-Haul Safe Trailering videos](#)

U-Haul Safe Trailering videos are part of the Safe Trailering Driver Education Program available free of charge to public- and private-school driver education teachers. In Part 1, students learn how to match the tow vehicle to the trailer, how to match hitch system components and how to properly hook up a trailer to the towing vehicle.

SHARE YOUR IDEAS

We are in the process of making an activity/lesson book for the students that goes with your AAA “How to Drive”. Please share your lesson plans and activities for the workbook. If everyone submits it will make the process quicker. Ideas that work in your classroom and behind the wheel.

The quiz and test workbooks are also coming soon!!!

IMPORTANT REMINDER

[Your district annual reports and renewals are due July 1st.](#)

This is how you get your new instructor cards.

Remind your district coordinator to get your paperwork to me.

Check your physical, if you need a new one, please send me a copy to keep your instructor license current.
