IDAPA 08.02.02.004 Section 3 Medical Examination

Public driver education and training instructors shall have a medical examination performed by a certified medical professional. The medical examination report must indicate whether the applicant has any ailment, disease, or physical or mental disabilities that may cause momentary or prolonged lapses of consciousness or control, which is or may become chronic. Applicants must not be suffering from a physical or mental disability or disease that may prevent the applicant from maintaining reasonable and ordinary control over a motor vehicle or that could impair the applicant's ability to drive safely or instruct automobile drivers.
