

**DFM Analyst:** David Hahn      **Recommendation:**  Recommended    Not Recommended    Pending      **Date:** 03/03/2017

**Comments:**

The department does not plan on going through the negotiated rule making process on this proposed rule since it was approved twice before as a temporary rule. This proposed rule will make permanent what has previously been temporary.

**Fiscal Impact Comments:**

There is no known fiscal impact to any fund.

**Special Assistant:** Marilyn Whitney      **Recommendation:**  Recommended    Not Recommended      **Date:** 04/03/2017

**Comments:**

Due to the technical nature of setting these cut scores, participation in negotiated rulemaking would be very limited.
