

April 2016

Plan Lead: Teresa Burgess

Present: Tyson Carter, Tina Naillon, other ESSA coordinators

ESSA Law Addressed: Section 2101(d)

Meeting Summary: Reviewed ESSA Law and determined that there is NOT a State Plan requirement, only a State Application to be submitted “at such time and in such manner as the Secretary may reasonably require.” Given that, we will fully prepare in advance to address application requirements when the Secretary provides the time and manner.
