

June 16th, 2016

Plan Lead: Kathy Gauby

Summary: Email sent out to external stakeholders to provide input for the internal stakeholders for meetings SDE State Plan group will be having this summer. (Input optional this summer, as many stakeholders are on summer break.)

- Early Childhood programs
- School conditions for student learning
- Decreasing risk of students dropping out
- Supporting children in foster care
- Supporting homeless children & youths
- Fiscal & accounting requirements and coordination &/or consolidation of funds for ESSA programs
- Evidence based programs, strategies, and interventions for schools
- High-quality and well-rounded education for all students
- State and local agencies which can support ESSA programs
- Paraprofessional requirements/qualifications

Begin thinking about Title I-A

- Schoolwide programs
- Targeted Assistance school programs
