

Credit System

Students who are not successful in meeting criteria during the school year may be required to attend after school assistance, summer school or a credit recovery class. This will provide the students with a second opportunity to prepare them for the next level of study. It is important to remember that progressing to the next grade level and/or high school is not automatic; students must earn the right through successful completion of the Wendell Middle School program. Students that do not meet the requirement will appear before a credit committee to determine the proper action.

Possible Credits for 6th, 7th, and 8th graders

Mathematics- 1 credit per trimester

Language Arts- 1 credit per trimester

Science- 1 credit per trimester

Social Studies- 1 credit per trimester

Reading- 1 credit per trimester

Rotation- 1 credit per trimester

(Physical Education, Computers, Ag, Art, etc.)

Requirements

Students that are enrolled in the 6th-8th grade will be required to earn 85% of the possible credits each school year, which is equivalent to earning 15 of the possible 18 credits.

Students will not be allowed to lose a full year of credit in one academic area.

Possible credits for 5th graders

Mathematics- 1 credit per trimester

Language Arts- 1 credit per trimester

Science- 1 credit per trimester

Social Studies- 1 credit per trimester

Reading- 1 credit per trimester

Requirements

Students that are enrolled in the 5th grade will be required to earn 80% of the possible credits each school year, which is equivalent to earning 12 of the possible 15 credits.

Possible Ways to Make Up a Credit

Summer school, online courses, correspondence courses, after school intervention
