

# ISAT Cut Scores

School Year 2023-2024

The summative ISAT assesses all 3<sup>rd</sup> through 8<sup>th</sup> and 11<sup>th</sup> graders enrolled in an Idaho public school in mathematics, English language arts, and science\*. The ISAT provides a scale score indicating a student's achievement level on each assessment. A scale score is a singular number assigned to a student's test. Cut scores are scale scores at which proficiency levels have been determined. They divide the scale into achievement levels 1, 2, 3, and 4.

\*The summative science ISAT is administered to 5<sup>th</sup>, 8<sup>th</sup>, and 11<sup>th</sup> grade students only.
