

IDAHO PROFESSIONAL STANDARDS COMMISSION

In the matter of the certificate of:

Donald B. Young,

Respondent

Case No. 22321

FINAL ORDER

The Chief Certification Officer for the State of Idaho filed an Administrative Complaint against the educator certificate issued to Donald Young, seeking for the Professional Standards Commission to impose discipline on Mr. Young's certificate. *See* Idaho Code § 33-1209. Because Mr. Young did not request a hearing within 30 days, and because Mr. Stone was determined to be in default by a hearing/presiding officer, the allegations in the Administrative Complaint are treated as admitted, Idaho Code § 33-1209(3), and are incorporated by reference as findings of fact.

Based on these findings, the Professional Standards Commission makes the following findings and conclusions:

1. At the school and in his classes, Mr. Young made inappropriate sexual comments to colleagues and students, including jokes about hitting a colleague with his "meat", expressing a desire to have sex with colleagues, commenting on female student's bodies, and comments about dropping pants and spreading cheeks.
2. Mr. Young engaged in swearing in front of colleagues and students in his classes.
3. Mr. Young's conduct or course of conduct willfully violated a principle of the code of ethics that was adopted by the Idaho State Board of education. Idaho Code § 33-1208(1)("Willful violation of any professional code or standard of ethics or conduct, adopted by the state board of education."). Specifically, Mr. Young violated Code of Ethics Principle II Idaho

Admin Code r. 08.02.02.076.03) (“A professional educator maintains a professional relationship with all students both inside and outside the physical and virtual classroom.”).

4. Mr. Young’s conduct or course of conduct willfully violated a principle of the code of ethics that was adopted by the Idaho State Board of education. Idaho Code § 33-1208(1)(“Willful violation of any professional code or standard of ethics or conduct, adopted by the state board of education.”). Specifically, Mr. Young violated Code of Ethics Principle X Idaho Admin Code r. 08.02.02.076.11) (“A professional educator ensures just and equitable treatment for all members of the profession in the exercise of academic freedom, professional rights and responsibilities. Unethical conduct includes but is not limited to: b. Committing any act of harassment toward a colleague.”).

Under Idaho Code § 33-1208, the Professional Standards Commission orders that the following discipline (as marked) be imposed on Mr. Stone’s certificate:

As requested in the Administrative Complaint
