FINAL ORDER

The Chief Certification Officer for the State of Idaho filed an Administrative Complaint against the educator certificate issued to David M. Ethington, seeking for the Professional Standards Commission to impose discipline on Mr. Ethington’s certificate. *See* Idaho Code § 33-1209. Because Mr. Ethington did not request a hearing within 30 days, and because Mr. Ethington was determined to be in default by a hearing/presiding officer, the allegations in the Administrative Complaint are treated as admitted, Idaho Code § 33-1209(3), and are incorporated by reference as findings of fact.

Based on these findings, the Professional Standards Commission concludes that Mr. Ethington willfully violated the following principles of the Code of Ethics adopted by the State Board of Education. Idaho Code § 33-1208(1)(j).

Idaho Code § 33-1208(1)(j) (“Willful violation of any professional code or standard of ethics or conduct, adopted by the state board of education”). Specifically, Mr. Ethington violated Code of Ethics Principle II (Idaho Admin. Code r. 08.02.02.076.03) (“A professional educator maintains a professional relationship with all students, both inside and outside the physical and virtual classroom.”).

Mr. Ethington's conduct or course of conduct willfully violated a principle of the code of ethics that was adopted by the Idaho State Board of Education. Idaho Code § 33-1208(1)(j) ("Willful violation of any professional code or standard of ethics or conduct, adopted by the state board of education"). Specifically, Mr. Ethington violated Code of Ethics Principle X (Idaho Admin. Code r. 08.02.02.076.11) ("Any conduct that seriously impairs the Certificate holder's ability to teach or perform his professional duties.").

Under Idaho Code § 33-1208, the Professional Standards Commission orders that the following discipline (as marked) be imposed on Mr. Ethington's certificate:

As requested in the Administrative Complaint
