Setup WBSCM Accounts for your Staff

Here are examples of the food service positions that you may need to authorize and add to your WBSCM Profile

- Food Service Director
- Kitchen Manager
- Ordering Manager
- Claim Specialist
- Business Manager

Steps to complete for the new user accounts for your staff:

1. Navigate to “Manage Users”
2. Create a New User – Personal Data Tab
3. Roll Data Tab
4. How Roll Data Applies

Navigate to “Manage Users”

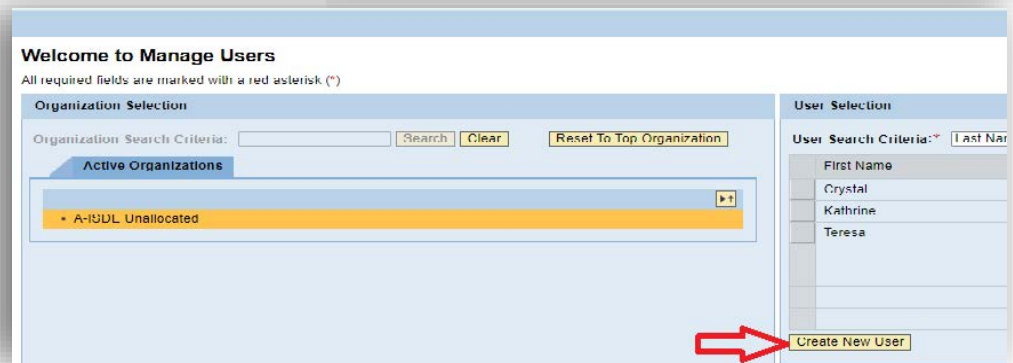

Step 1. Click on the “Admin” tab, then “Manage Users.”

Step 2. “Welcome to Manage Users” will appear as indicated by the red arrow.

Step 3. Click on the “Create New Users” button

Create a New User – Personal Data Tab

Step 4. Click on “Personal Data” tab.

The screenshot displays the 'Manage Users' interface. On the left, the 'Organization Selection' panel shows 'ID Dept. of Education' selected. The 'User Search' panel on the right contains a search criteria field and a 'Create New User' button. Below these is the 'User Details' section with three tabs: 'Personal Data', 'Field Data', and 'Admin Data'. A red arrow points to the 'Personal Data' tab. The 'Personal Data' tab is active and contains the following fields:

Company:	0004000451	Street Address:	
User ID:		City:	
Title:		Zip Code:	
First Name: *		Country: *	
Last Name: *		State Or Province:	
Email: *		Time Zone:	
Fax:			
Mobile Phone:			
Phone:			

At the bottom of the 'User Details' section are 'Save' and 'Cancel' buttons.

Create a New User – Personal Data Tab

Step 5. Fill in information on the “Personal Data” tab.

*Note that the last name and e-mail must be the same as what the employee uses when creating their individual eAuthentication (eAuth) account. Check with your staff to ascertain whether they have an eAuth account. If you participate in the USDA DoD Fresh Program, they may have an eAuth account. This account can be used for both FFAVORS and WBSCM.

If you have an individual who will order USDA Foods in the WBSCM portal they must create an eAuth account and it may not be concurrently while you are adding user roles.

The screenshot shows the 'User Details' form with the 'Personal Data' tab selected. The form contains the following fields:

Field	Value	Field	Value
Company:	0004000451	Street Address:	650 W State Street
User ID:		City:	Boise
Title:		Zip Code:	83702
First Name:*	First	Country:*	USA
Last Name:*	Last	State Or Province:	Idaho
Email:*	email here	Time Zone:	Mountain Time (Denver)
Fax:			
Mobile Phone:			
Phone:			

At the bottom of the form are 'Save' and 'Cancel' buttons. A callout bubble points to the 'Email' and 'Last Name' fields with the text: "Email and last name must match the eAuth account".

Roll Data Tab

Step 6. “Add” appropriate roles for the employee (see next page for definitions of roles). By clicking on the gray box next to the Available Role and then “Add”.

The screenshot shows the 'User Details' interface with the 'Role data' tab selected. It features two lists: 'Available Roles' and 'Current Roles'. The 'Available Roles' list contains 'Order Manager - RA', 'Org Admin - RA', 'User Admin - RA', and 'View-Only - RA'. The 'Current Roles' list contains 'Order Manager - RA' and 'Org Admin - RA'. A red arrow points from the 'Add' button to the 'Current Roles' list. A callout bubble points to the 'User Admin - RA' role in the 'Available Roles' list with the text 'Make sure to "Add" appropriate roles'.

Make sure to "Add" appropriate roles

How Role Data Applies

- Make sure that Order Manager – RA is selected for those that plan orders.
- Make sure that “Org Admin- RA” and “User Admin-RA” is selected for those that plan to create/modify access for other employees
- Anyone who wants to view reports, including the Order Manager, needs “View only -RA” Access. Click next to that role, click “Add”, then Click “Save”

Plan to Place Order

Choose “Order Manager -RA”

Plan to Create/Modify Access for Other Employees

Choose “Org Admin -RA”
& “User Admin-RA”

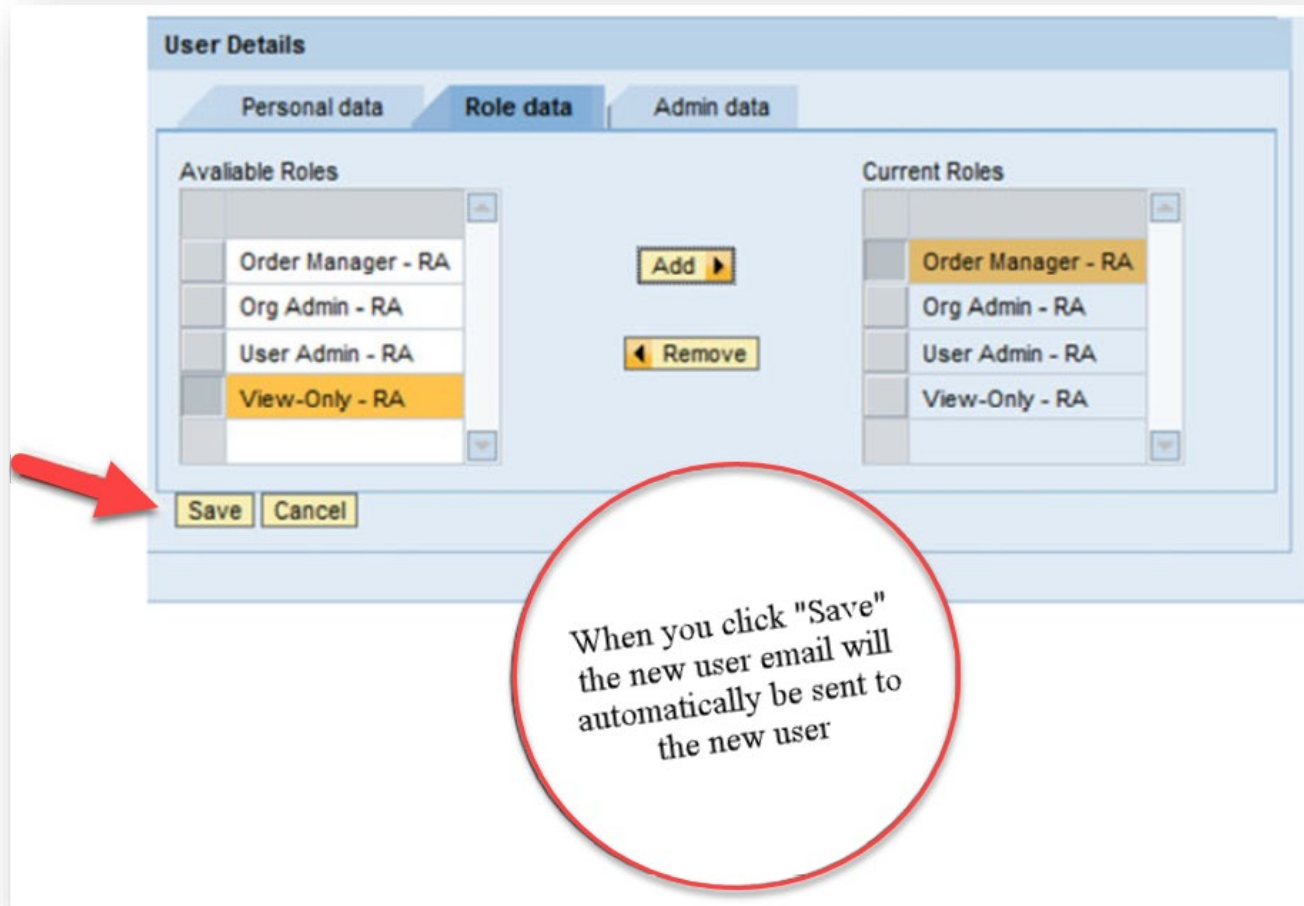

Anyone wanting to View Reports

Choose “View Only-RA access”

*Includes Order Manger

New User-Save

Step 7. Click "Save."

User Created Successfully

Once the information is saved in the “Personal Data” tab, a message will appear that confirms “User Created Successfully”.

If you add the data roles later a “User Updated Successfully” message will appear.

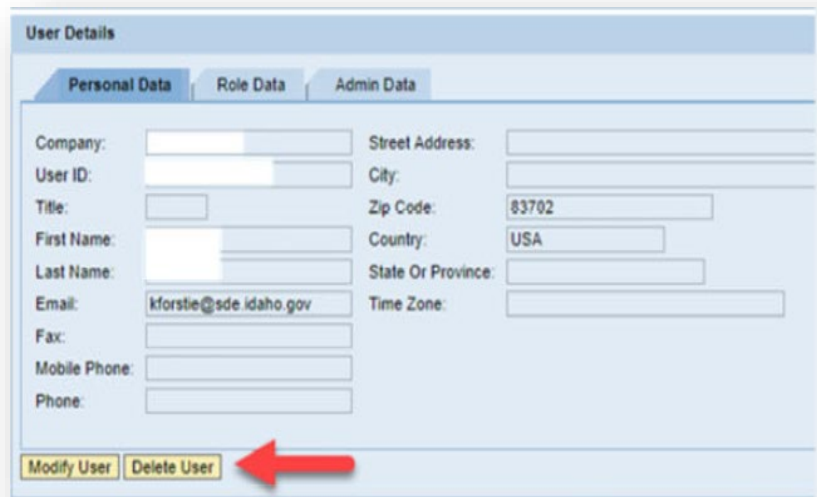

The screenshot displays the 'Manage Users' interface. At the top left, a green checkmark icon is next to the text 'User Created Successfully', which is highlighted by a red arrow. Below this message, a note states 'All required fields are marked with a red asterisk (*)'. The interface is divided into two main sections: 'Organization Selection' on the left and 'User Search' on the right. The 'Organization Selection' section includes a search criteria field, 'Search' and 'Reset' buttons, a 'Reset To Top Org' button, and a list of organizations with 'ID Dept. of Education' selected. The 'User Search' section features a search criteria dropdown, 'Search' and 'Reset' buttons, and a table with columns for 'First Name', 'Last Name', and 'Last Logon Date'. The table contains one row with 'First' and 'Last' in the first two columns, highlighted by a red arrow. A 'Create New User' button is located below the table, and a 'User Details' section is partially visible at the bottom.

Delete User

Step 1. Just as you can add a new user, you will be able to delete users. You will select the box next to the name you want to delete and select the “Delete User “button at the bottom.

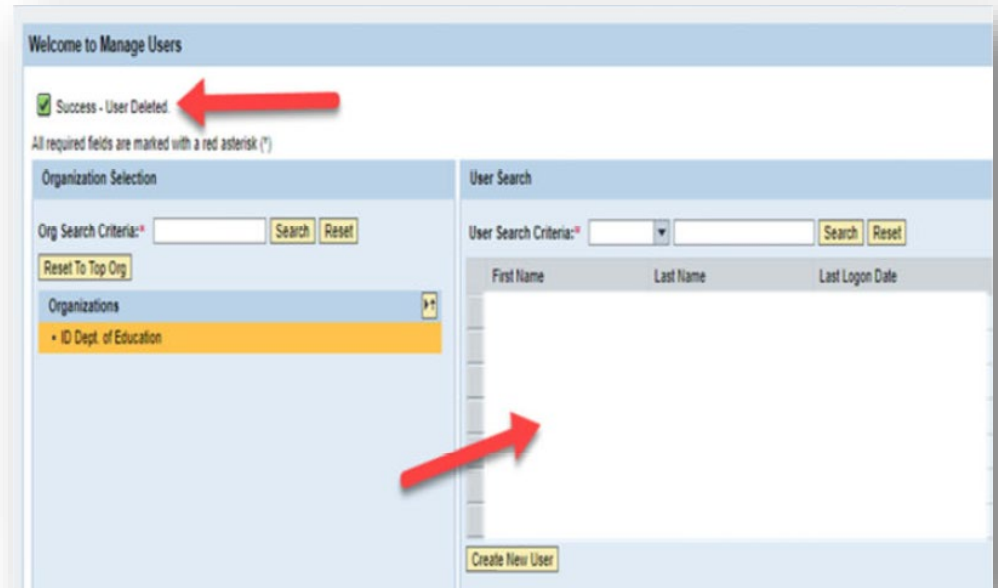

Step 2. You will then see the message at the top indicating “Success - User Deleted”.

STEP 1

The screenshot shows the 'User Details' form with three tabs: 'Personal Data', 'Role Data', and 'Admin Data'. The 'Personal Data' tab is active. The form contains various input fields for user information, including Company, User ID, Title, First Name, Last Name, Email (kforstie@sde.idaho.gov), Fax, Mobile Phone, and Phone. At the bottom of the form, there are two buttons: 'Modify User' and 'Delete User'. A red arrow points to the 'Delete User' button.

STEP 2

The screenshot shows the 'Welcome to Manage Users' page. At the top, there is a success message: 'Success - User Deleted' with a green checkmark icon. A red arrow points to this message. Below the message, there is a section for 'Organization Selection' with a search criteria field and 'Search' and 'Reset' buttons. A 'Reset To Top Org' button is also present. Below this, there is a list of organizations, with 'ID Dept. of Education' highlighted in yellow. To the right, there is a 'User Search' section with a search criteria field and 'Search' and 'Reset' buttons. Below the search section, there is a table with columns for 'First Name', 'Last Name', and 'Last Logon Date'. At the bottom right, there is a 'Create New User' button. A red arrow points to the bottom right area of the page.

WBSCM Registration for New User

1. The new user will need to create a Login.gov and an eAuthentication account if they do not have one as per the automated email received from WBSCM.
2. Follow all instructions in the WBSCM email including step 2 and answer the “Rules of Behavior” question to complete the registration process.
3. Use this guide to help guide which options to select on each of the websites associated to the complete registration process.

Sample New User Email from WBSCM

The new user will then receive an email from WBSCM asking them to set up their account similar to the one shown. **Please, note this is a 2 step process to create an account.** The third step asks you to save the link in a bookmark

A user account has been created for you in the United States Department of Agriculture (USDA) Web-Based Supply Chain Management (WBSCM) system.

If you are a [USAID Federal Employee or Contractor](#), please disregard this email and contact the [AMS Help Desk](#) for instructions on how to proceed.

WBSCM is a USDA eAuthentication (eAuth) protected application. To access WBSCM, go to the [USDA eAuthentication page](#), select the appropriate [User Type](#) based on your role, and follow the steps identified below:

- a. **Customers, Vendors, Business Partners**
 1. Select **Customer** and complete [Steps 1 and 2](#).
 2. Use [Login.gov](#) credentials to access WBSCM.
- b. **USDA Federal Employees, Affiliates, Contractors**
 1. Skip [Step 1](#) and complete [Step 2](#).
 2. Select **USDA Employee/Contractor** and use PIV/Lincpass credentials to access WBSCM.

If you have an existing eAuth account to access any [non-WBSCM application](#), skip [Step 1](#) and complete [Step 2](#) below.

Helpful Tips:

- **SAVE this email until you have completed Step 2 below.**
- Your [Login.gov](#) or PIV/Lincpass credentials must match your last name and email address in WBSCM (as referenced in this email) to successfully register your new account.
- [Login.gov](#) account requires a unique email address.
- A single [Login.gov](#) account can be used for USDA and non-USDA applications. For USDA protected applications, the [Login.gov](#) account must be linked to eAuth.
- Your [Login.gov](#) ID or PIV/Lincpass can be linked to multiple WBSCM accounts.

How to Register a new WBSCM account

Step 1. Create Login.gov ID and link to eAuth

This step is required only for public customers, vendors, and business partners conducting business with USDA. Go to the [USDA eAuthentication page](#), select **Customer**, then **Login.gov** option. You will be directed to the [Login.gov](#) website.

You can access WBSCM with an existing [Login.gov](#) ID or create a new one:

- a. If you already have an active [Login.gov](#) ID, **Sign in** with your existing credentials and complete the steps to perform a one-time process to link your [Login.gov](#) ID with USDA eAuth.
- b. To create a new [Login.gov](#) ID, choose **Create an account**; provide a unique email address, establish multi-factor authentication, and return to eAuth to link the new account with eAuth.

Note: If you don't have an existing eAuth account, when linking [Login.gov](#) ID with the eAuth system, choose **Continue without linking to an existing eAuth account**. This establishes an automatic link to a new eAuth account.

After [Login.gov](#) credentials are created and successfully linked to eAuth, the **Account Information** page displays a summary of your [Login.gov](#) credentials with a [green Linked checkmark](#). This completes Step 1. Log out, and go to [Step 2](#) to register your WBSCM account.

Step 2. Register WBSCM Account

This one-time step must be completed by all users to access WBSCM. To register your new WBSCM account, click on the link below and log in using your [Login.gov](#) or PIV/Lincpass credentials based on your user type. [This link is unique to your WBSCM account and should not be shared with others.](#)

(Copy and paste the link above in your Web Browser, if you encounter issues.)

Follow the system prompts to accept the **Rules of Behavior** and access WBSCM. This completes the WBSCM registration process.

Note: An active [Login.gov](#) ID or PIV/Lincpass can be linked to more than one WBSCM account. If you have an existing WBSCM account, be sure to [sign out of any active WBSCM sessions](#) and close the browser [before](#) registering a new account. If you have multiple WBSCM accounts, you will be prompted to select which one to use when logging into WBSCM.

WBSCM Rules of Behavior

Rules of Behavior
(Version 1.0)

Web Based Supply Chain Management (WBSCM) participants must understand and agree to their information security responsibilities to be allowed access to the WBSCM system. WBSCM rules of behavior for all participants include, but are not limited to, the following:

1. Participants shall understand and comply with United States Department of Agriculture (USDA) policies and procedures, and with federal, state, and local laws.
3. Users shall protect their UserIDs and passwords from disclosure.

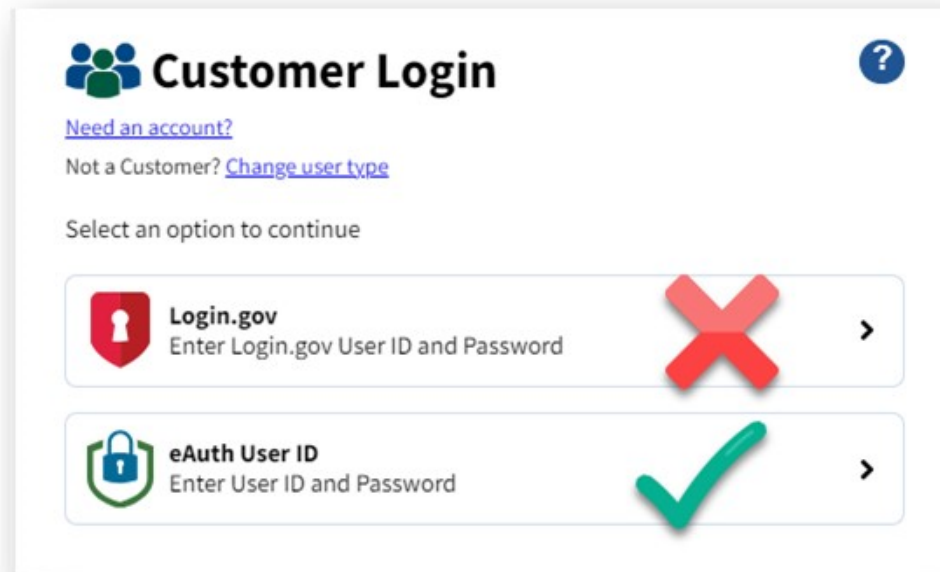

Accept
 Reject

Please review the WBSCM Rules of Behavior. Clicking Accept will continue the validation process.

After you click submit, you will then be logged into WBSCM.

WBSCM for a Current User prior to 2022

1. Keep user name and password in a safe place where you can access it. Idaho Department of Education does not maintain the information and security questions you need if you forget how to log-on.
2. Find the WBSCM APPLICATION LOGIN tile on the USDA Foods & Processing webpage.
3. Make sure to Login in as a eAuth User ID

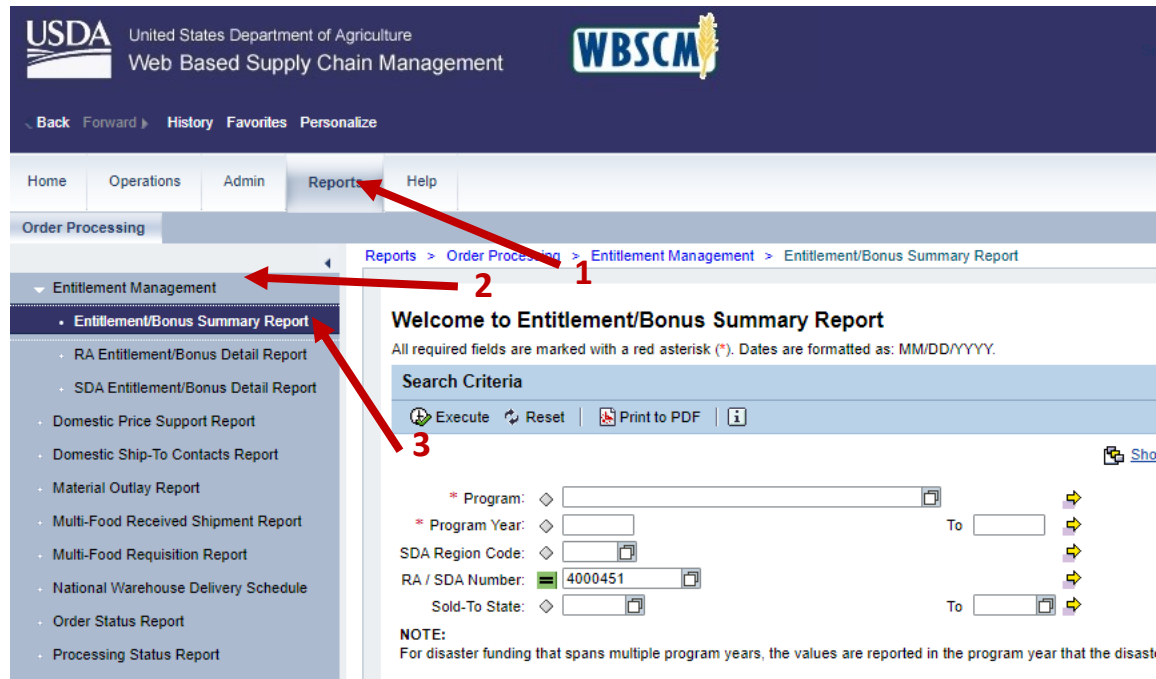

If you Forget.....

The image shows a web form titled "Customer Login" with a help icon in the top right. Below the title is a link "< Back to login options". The form is for "eAuth User ID" and asks the user to "Enter User ID and Password". It features two input fields: "User ID" and "Password". To the right of the "User ID" field is a link "Forgot User ID" enclosed in a red box. To the right of the "Password" field is a link "Forgot Password" also enclosed in a red box. Below the password field is a checkbox labeled "Show Password". At the bottom of the form is a blue "Log In" button.

The State agency will not have your Login Information!

Running an Entitlement Summary

1. Log into WBSCM
2. Click on the “Reports” tab at the top of the page
3. Click “Entitlement: Management” in the left-hand column .
4. Click “Entitlement/Bonus Summary Report”

IMPORTANT NOTE

Program Year is the second half of any school year (i.e., SY24-25 would be Program Year 2025)

5. Fill in “NSLP” for the Program
6. Fill in the Program Year (for example 2025 for school year 2024-2025)
7. Click “Print PDF Output” or you can click “Execute” and it will open in WBSCM.

The screenshot shows the USDA Web Based Supply Chain Management (WBSCM) interface. The top navigation bar includes the USDA logo, the text "United States Department of Agriculture Web Based Supply Chain Management", and the WBSCM logo. Below this is a secondary navigation bar with "Back", "Forward", "History", "Favorites", and "Personalize". The main navigation bar has "Home", "Operations", "Admin", "Reports", and "Help". The "Reports" section is expanded to show "Order Processing", "Entitlement Management", and "Entitlement/Bonus Summary Report". The left sidebar lists various reports under "Entitlement Management", with "Entitlement/Bonus Summary Report" selected. The main content area displays the "Welcome to Entitlement/Bonus Summary Report" page. It includes a "Search Criteria" section with fields for "Program" (set to "NSLP"), "Program Year" (set to "2024"), "SDA Region Code", "RA / SDA Number" (set to "4000451"), and "Sold-To State". There are "Execute", "Reset", and "Print to PDF" buttons. A "NOTE" at the bottom states: "For disaster funding that spans multiple program years, the values are reported in the program year that the disaster". Red annotations include a circle around the "Execute" button labeled "7", an arrow pointing to the "Program" field labeled "5", and an arrow pointing to the "Program Year" field labeled "6".

Be sure to place the correct Program Year for your future forecasting of Entitlement.

IMPORTANT NOTE: Continued

The amount you spent on seasonal produce during the previous WBSM ordering period.

The amount of entitlement remaining for you to spend.

****Note: The first page of the report is not important, scroll to Page 2 for the summary.**

Entering an Order in WBSCM

Once you have planned your order based on available estimated entitlement and filled out the WBSCM Forecasting Worksheet, you're ready to log into WBSCM and place requisitions for USDA Foods. Use the WBSCM tile found on the Idaho USDA Foods & Processing webpage to be sure you are logging in directly to WBSCM.

Tip: You may want to consider setting aside a designated amount of time with limited interruptions in order to successfully place orders in WBSCM. Please keep in mind WBSCM **will log you out** after a few minutes of inactivity so make sure you are actively working in the system during the ordering process.

There are no limitations on the amount of orders that can be placed in WBSCM. Therefore, the State Agency (SA) recommends placing multiple small orders by **product category** and **storage type; this will help you avoid selecting the wrong delivery location**. For example, place all orders for frozen fruit in a single session and proceed to order completion (this order would be delivered to Americold). Next, go in and place your orders for canned fruit, again you will need to complete the order (this order would be delivered to Northwest Distribution). By following the State agency recommendation, you will avoid the frustration of being timed out and losing everything in your cart and having to start over and potentially selecting an incorrect delivery location.

You will know an order has been successfully completed in WBSCM once you receive the “Confirmation of Receipt” page.

Once all orders have been placed, the State agency recommends running a WBSCM requisition status report to ensure that no orders have been overlooked.

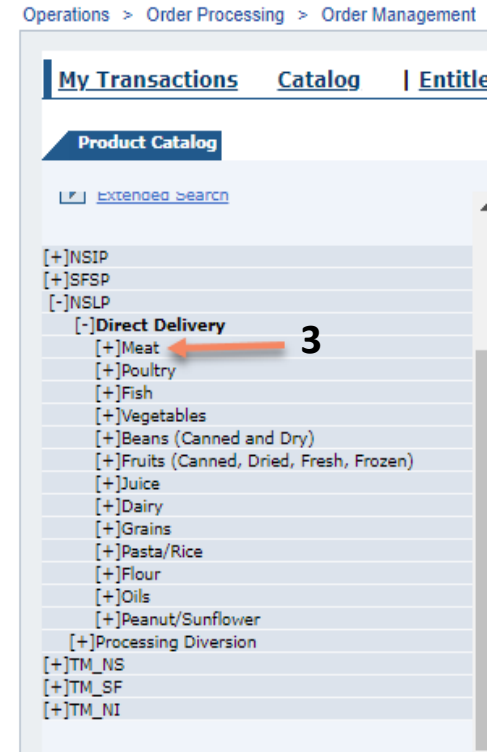

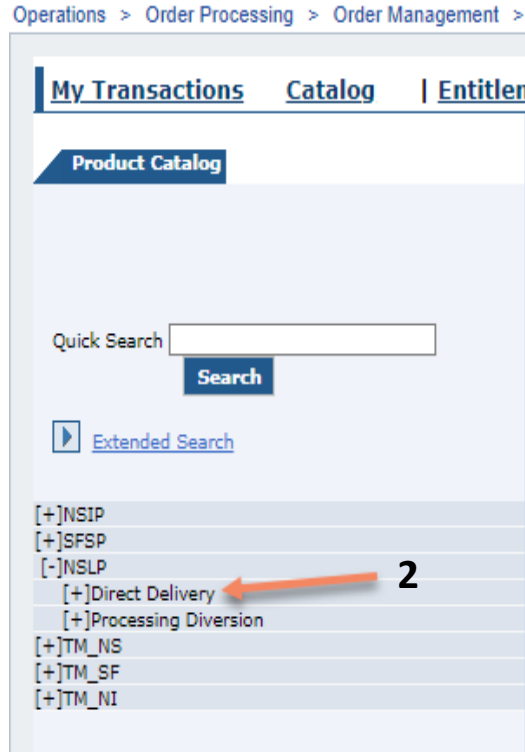

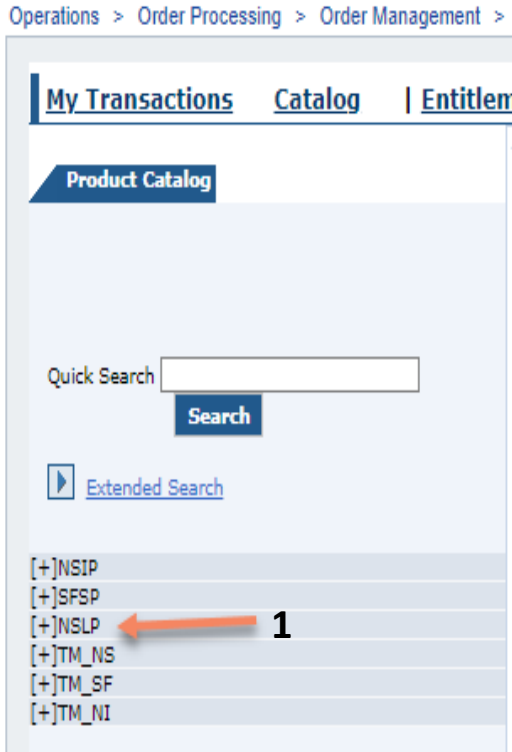

Domestic Order Entry

The screenshot displays the USDA WBCSM interface. At the top, the USDA logo and 'United States Department of Agriculture Web-Based Supply Chain Management' are visible, along with the WBCSM logo. The navigation bar includes 'Back', 'Forward', 'History', and 'Favorites'. Below this, there are tabs for 'Home', 'Operations', 'Admin', 'Reports', and 'Help'. The 'Operations' tab is selected, and a sub-menu shows 'Order Processing', 'Complaint Administration', and 'Recall Administration'. The breadcrumb trail reads 'Operations > Order Processing > Order Management > Domestic Order Entry'. On the left, a navigation pane lists various functions, with 'Domestic Order Entry' highlighted. The main content area shows a 'Product Catalog' with a list of items, including 'NSIP', 'SFSP', 'NSLP', 'Direct Delivery', 'Meat', and various 'Entitlement' categories like 'Poultry', 'Fish', 'Vegetables', etc. A right-hand panel titled 'Entitlement' contains an 'Overview' section with a 'Quantity' table.

- Select the "Deliver To" location from the drop down menu
- For items going to the same delivery location you would only need to select the "Deliver to Selection" check box one time (this is why the SA strongly recommends placing orders for all items going to a single location)
- If you have multiple delivery locations for frozen, dry and/or further processing in your order you will need to check each box individually next to the item under the "Deliver-to Selection" category, as well as making sure you choose the correct "Deliver To" location from the drop down menu up above, followed by "Update" in the lower left corner
- It is possible to place an order with multiple delivery locations, however, the Stage agency does not recommend this practice

Running A Requisition Status Report

The Requisition Status Report shows school's the current status of their order. It can be used to see if ordered items have been submitted to USDA or cancelled, if delivery dates have been changed, or if items have been delivered to the warehouse.

The screenshot shows a web application interface for running a Requisition Status Report. At the top, there is a navigation bar with links for Back, Forward, History, Favorites, and Personalize. Below this is a main menu with Home, Operations, Admin, Reports, and Help. The current page is titled 'Order Processing' and 'Reports > Order Processing > Requisition Status Report'. A left sidebar contains a list of reports, with 'Requisition Status Report' highlighted. The main content area is titled 'Welcome to Requisition Status Report' and includes a note: 'All required fields are marked with a red asterisk (*). Dates are formatted as: MM/DD/YYYY.' Below this is a 'Search Criteria' section with a toolbar containing 'Execute', 'Reset', 'Print to PDF', and an information icon. The search criteria form consists of several fields, each with a dropdown arrow and a red asterisk indicating it is required. The fields are: Program, Req. Delivery Date (with a 'To' field), Material (with a 'To' field), Sold-To Party, Ship-To Party, Region (with a 'To' field), Req/Redist. Number (with a 'To' field), Req/Redist. Doc.Type, Req/Redist. # Status, Req. Entitle / Bonus, Sales Order Number (with a 'To' field), Purchase Order (with a 'To' field), and Shipment Receipt Date (with a 'To' field). A 'Sh' icon is located in the top right corner of the search criteria section.

Running A Requisition Status Report

1. After you log into WBSM
2. Click on the “Reports” tab.
3. Under “Order Processing”, click “Requisition Status Report.”

The screenshot shows the WBSM interface for running a Requisition Status Report. At the top, there are navigation tabs: Back, Forward, History, Favorites, and Personalize. Below that are Home, Operations, Admin, Reports, and Help. A red arrow labeled '2' points to the Reports tab. Under the Reports tab, there is a sub-menu with Order Processing, Requisition Status Report, and others. A red arrow labeled '3' points to the Requisition Status Report option. The main content area displays the 'Welcome to Requisition Status Report' page, which includes search criteria fields for Program, Req. Delivery Date, Material, Sold-To Party, Ship-To Party, Region, Req/Redist. Number, Req/Redist. Doc.Type, Req/Redist. # Status, Req. Entitle / Bonus, Sales Order Number, Purchase Order, and Shipment Receipt Date. A red arrow labeled '3' points to the Requisition Status Report option in the left-hand menu.

Running A Requisition Status Report

2. Under “Search Criteria” Fill in the following information:

Enter” NSLP” for Program

Enter the dates for the school year in “Requested Delivery Date”, for example – if you only wanted to see a certain date frame in a school year you would type the starting date and the “To” date (“02/20/2023” to “02/22/2023”) or you can click the diamond next to the date box and select an option for the dates.

You do not need to fill in any of the other boxes.

The screenshot displays the 'Requisition Status Report' web application. The main interface includes a navigation menu with 'Home', 'Operations', 'Admin', 'Reports', and 'Help'. The 'Reports' section is active, showing a breadcrumb trail: 'Reports > Order Processing > Requisition Status Report'. The search criteria section is titled 'Welcome to Requisition Status Report' and includes a 'Search Criteria' section with fields for Program (NSLP), Req. Delivery Date (02/20/2023 to 02/22/2023), Material, Sold-To Party, Ship-To Party, Region, Req/Redist. Number, Req/Redist. Doc.Type, Req/Redist. # Status, and Req. Entitle / Bonus. A 'Selection Options' pop-up window is open, showing a list of comparison operators: 'Simple value', 'Greater than or equal to', 'Less than or equal to', 'Greater than', 'Less than', 'Not equal to', 'Between', and 'Outside range'. A red arrow points from the text 'select an option for the dates' to the diamond icon on the date field, and another red arrow points from the text 'diamond' to the diamond icon on the 'Req. Delivery Date' label.

- Click “Print to PDF.” This option creates a PDF document and does not require a printer. The file may open up in a new tab or in the “Downloads” of your browser.

- When the Status has changed to “Approved by SDA”, check the “Delivery Period” column and the “Order Qty” column to see if any changes have been made to the initial order.
- For some items, the State may have moved the delivery period forward or back in order to share a truck with a neighboring state.
- Larger schools may notice that the quantity ordered was adjusted up or down by a few cases- this allows the State to order a full truckload.
