Introduction

This toolkit was designed to help you make the most of your time and experience in high school.

Whether you intend to go on to college or work towards a career after you graduate, it is important to have a plan.

Use this toolkit to identify classes, activities, and resources, that will help you gain skills and work towards your goals after high school.

Planning

Student Name

Grade

Graduation Year

Today's Date

EDUID #

School ID #

Current GPA

Desired GPA

What is one educational goal you have for school? How can you work towards your goal?

What is one educational goal you will have for school next year? How can you work towards your goal?

What is one goal you have outside of school? How can you work towards your goal?

What can the school do to support you in achieving your goals?

Thinking about next year, are you interested in exploring careers?

Yes

No

If yes, what career(s)?

Thinking into the future, do you know what you want to do when you graduate from high school?

Yes

No

If yes, please tell us.

It is important to consider your non-academic goals when working to plan your course schedule for the next year. Next year, what extracurricular activities do you plan on participating in?
