

# Learner Steps for IT Academy E-Learning

Follow the steps below to get started with IT Academy E-Learning

You will need a compatible login credential. We support Microsoft Accounts and Office 365 IDs.

## Create a Microsoft Account:

- Go to <https://signup.live.com> and click **Sign up**
- Complete the fields to create your Microsoft Account
- Scroll to bottom of page and click **I Accept**
- Go back to your email account and verify your email (Note- if you do not receive a verification email, check with your IT staff to make sure windowslivemail.com is not blocked by your incoming mail server.)

## Access Online E-Learning Courses:

Library Access Code: \_\_\_\_\_

1. The link on the library website will take you to the Learner website.
2. Learner site <http://itacademy.microsoft.com>
3. Select **Sign In**

Figure 1

*If you have already signed in before, the system will remember you, once you log in. If you have not signed in before, the system requires you to sign the Terms of Use, and to collect some information about you, to create your new user account.*

### 3. Select How you want to sign in

## Sign in

How would you like to sign in?

### Microsoft account

Sign in with the account you use for SkyDrive, Xbox Live, Outlook.com or other Microsoft Services.

### Organizational account

Sign in with the account provided by your work or school to use with Office 365 or other Microsoft services.

*Figure 2*

### 4. Enter your email and password information.

If this is the first time you have entered the system, you will receive the following message:

You're almost there!

This email address `cj33@hotmail.com` is not enrolled with an organization.

- If you have an access code, click [here](#) to redeem it.

-or-

- If you've already enrolled with another Microsoft account or with an Office 365 organizational account, click **Sign out** and then sign in with your enrolled account.

## Take a moment to acknowledge the following:

Your use of the Microsoft Learning website and all associated materials and services are governed by these [terms of use](#).

You agree that Microsoft may share information about your activities on Microsoft Learning services with your employer/academic institution. To learn more, about the information collected by this site, see our [privacy and cookies statement](#).

If you do not agree, do not select "I Accept" and do not access or use the site.

I Accept

Continue

If you do not Accept the agreement, you will not be granted access to the site.

## 7. Fill in User Profile

# IT Academy

## Profile

Information in your profile is private. Make sure the information below is correct.

\* **First name**

\* **Last name**

\* **Contact email**

**Language**

 

\* **Location**

 

**Give yourself a unique ID**

*Example: A12345*

Note Recommended Unique ID is your library card.

Your profile information will be used for the name located on your *Course Completion Certificate*.

You now have complete access to all Microsoft Online learning offered via IT Academy.

Office 2010, Office 2013 are some of the top product training to get started with.

Learners can Browse to locate and add any additional Microsoft Training to their My courses tile

4. Search for the course or browse a category.

The screenshot shows the IT Academy website interface. At the top left is the 'IT Academy' logo. To its right is a search bar labeled 'Search for courses'. Below the logo are two tabs: 'Browse' (selected) and 'Help'. The main content area is a grid of course categories:

Server	Desktop	Office	Database	Developer
Windows Server	Windows	Office	SQL Server	Visual Studio
Exchange Server	Microsoft Dynamics	Office 365		Windows Azure
Lync Server				Windows Phone
Sharepoint				
Virtualization				
System Center				
Cloud				

5. When you find a course you're interested in, click Add the course will now show up within you My courses tile

The screenshot shows a course tile for 'Microsoft Excel 2013 Essentials'. The tile has a dark background with white text. On the left, the word 'Course' is written in a large font. To the right, the course title is displayed, followed by a list of tags: 'Office 2013, Worksheet, Workbook Customization, Views, Printing, Saving Workbooks, Inserting, Formatting, Ordering, Grouping, Creating, Modifying, Filtering, and Sorting Tables, Conditional'. In the top right corner, it says 'Last accessed: 09/10/2013'. At the bottom right of the tile is a blue button labeled 'Add'. A menu icon (three vertical lines) is visible at the bottom left of the tile.

You can add as many courses as your interested in taking. You can Remove courses you're no longer interested in from the My courses tile

## Subsequent Sign-in

After the initial sign in has been completed, you can access directly by following these steps:

- A. Go to student site <http://itacademy.microsoft.com>
- B. Click the **Sign In** (see Figure 1)
- C. **Continue** to sign in with your email or Microsoft Account that you used the first time you accessed the site

**Congratulations - you are ready to start IT Academy E-Learning!**

**[If you have questions on how to use the ITA tools or cannot find what you need to successfully use the IT Academy benefits, please contact us. For technical support or guidance with E-Learning select the contact us link at the bottom of the site.](#)**
