

GREEN CHEMISTRY 101

Professional Development Credits Available!

Join Tanya Elmer, Eagle HS and Beyond Benign LEAD teacher, and Ben Jarvis, Pollution Prevention Projects Coordinator at the Idaho Department of Environmental Quality for a four part web series dedicated to advancing green chemistry in the classroom.

4 SESSIONS: 5 PM TO 6 PM, MST

April 7: Hazardous waste disposal rules and considerations

April 14: Principles of Green Chemistry

April 21: Green chemistry lab demo

April 28: Lab storage and inventory tips and tricks

Registrants must complete all four sessions to be eligible for Professional Development Credits
