<p>10-09-2024</p> <p>Microlearning:</p> <p>3:30-4:00 MT</p>	<p>All Teachers and Administrators</p>	<p>Goal Setting with the Growth Pathways Report</p> <p>This session will explore the ISIP Reading Growth Report! This report will use BOY or MOY data to create EOY projections which will allow educators to see whether their students are exhibiting below typical, typical, above typical, or accelerated growth projections. The growth pathways simplify growth percentiles into four universal buckets, making it easy to evaluate growth relative to expectations regardless of where students start. Provides aggressive yet attainable growth targets so that educators can set attainable goals to help close the gap.</p> <p>Webinar Registration Link</p>
<p>10-10-2024</p> <p>3:30-4:30 MT</p>	<p>Teachers new to using Istation in grades K-5</p> <p>(Repeat session)</p>	<p>Istation Reports and Resources Deep Dive</p> <p>Teachers new to Istation will take a deep dive into Istation Reports to learn how they can be used to support students during core instruction and intervention, and understand how Istation’s Teacher Lessons can be used to support all learners.
