VOTE TODAY: BURLEY HIGH SCHOOL SENIORS UP FOR NATIONAL AWARD IN SAFE DRIVING CAMPAIGN

(BOISE) – The Idaho State Department of Education is asking for your support in voting for Burley High School’s effort to receive the national award for the National Safe Driving Campaign presented by State Farm Insurance called Celebrate My Drive.

Burley High School students have been recognized in the national campaign for their creativity in creating a 30 second video that highlights the schools efforts in safe driving. Of 7,000 videos submitted nationwide, Burley High School students have been selected into the top 100—currently, students have the opportunity to receive a \$100,000 award if selected within the top 22 videos.

Today is the final day of voting—the students of Burley High School would appreciate your support and vote to achieve the \$100,000 award! Please use the link below to cast your vote, and share this link throughout your school district.
