SDE publishes lists of centers and family day care homes with food programs

(BOISE) – The Child Nutrition Division of the Idaho State Department of Education today published newly updated lists of Centers and Family Day Care Homes that participate in the Child and Adult Care Food Program (CACFP).

CACFP, funded by the U.S. Department of Agriculture, provides nutritious food to infants, children and adults. Under this federal program, all individuals enrolled in participating day care homes or centers receive meals at no charge. Nearly 240 centers and 120 sponsored family day care home providers in Idaho participate in the CACFP.

Each enrolled participant’s family household income determines the amount of money USDA will reimburse to the center or home for the meals and snacks provided. The income eligibility guidelines listed below are used to determine reimbursement from the USDA. Centers or homes with enrolled individuals from households whose monthly income is at or below these levels receive more reimbursement for the meals served to those participating.

Effective Dates July 1, 2022 - June 30, 2023

FEDERAL INCOME CHART			
Household size	Yearly	Monthly	Weekly
1	25,142	2,096	484
