

# Send Your Thanks to a Very Special Teacher!

Use your own words to thank a teacher who's made a difference in your life! To create the card, ask an adult to help you cut out the page below. Then, fold in half widthwise so that the front & back of the card face you. Next, fold lengthwise so the customizable portion shows when the card is opened. Write your message & make your favorite teacher's day!

You are appreciated!
