The screenshot shows the 'IDAHO TRAINING Clearinghouse' website. At the top, there is a navigation menu with links: HOME, CALENDAR, FOR CREDIT, REGISTRATION, RESOURCES, WEBINARS, and SESTA. Below the navigation is a large green banner with the text 'SCHOOL-BASED MEDICAID' in white. To the left of the text is a line drawing of a person in a wheelchair being pushed by another person. To the right of the text is the Idaho Department of Education seal. Below the banner, there are five buttons: 'Clarification Form', 'Clarifications', 'Links', 'Resources', and 'Contact Us'. At the bottom, there are two more buttons: 'Medicaid School-Based Services Reference Guide 2023-2024' and 'An Introduction to Idaho Medicaid School Based Services Module'.

A screenshot of the 'Medicaid School-Based Service Providers' webpage. The header includes the Idaho Department of Health & Welfare logo and navigation links for 'Services & Programs', 'Health & Wellness', and 'News & Notices'. A breadcrumb trail shows 'Home | For Providers | Medicaid School-Based Service Providers'. The main heading is 'Medicaid School-Based Service Providers' with the subtitle 'Education, training, resources, and more'. Below this is a tabbed interface with two tabs: 'Medicaid School-Based Service Providers' (selected) and 'Training, Resources, and Forms'. The content area under the selected tab has the heading 'Medicaid School-Based Service Providers' and a paragraph stating that school districts and charter schools can receive reimbursement for school-based services. It also defines school-based services as health-related and rehabilitative services for children with disabilities under the Individuals with Disabilities Education Act (IDEA). A 'CONTACTS' section is partially visible on the right, showing 'School-based Medicaid staff' and an 'Email' link.

Medicaid School-Based Service Providers

School districts and charter schools that enroll as Medicaid providers can receive reimbursement for school-based services.

School-based services are health-related and rehabilitative services provided to children with disabilities who receive services under the [Individuals with Disabilities Education Act \(IDEA\)](#). These services are provided by school districts and charter schools and are considered medically necessary for children to participate in their educational program.
