

SMART 2.0

Dispute Resolution Presentation

SMART 2.0

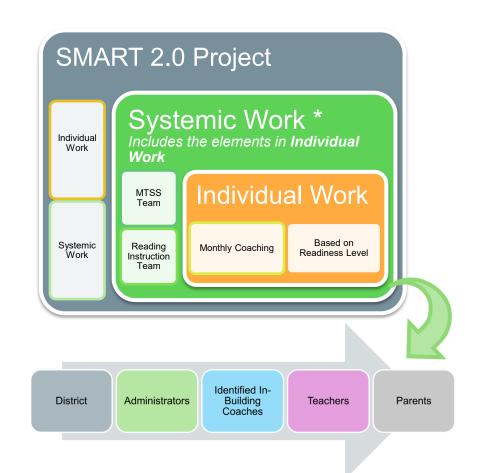

Striving to

Meet

Achievement in

Reading

Together 2.0

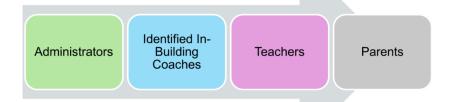

Where We Started

Cultivating Readers (CR)

Multi-year (4) literacy project focused on a systemic approach to improving reading instruction for all students through:

- Science of Reading
- Evidence-Based Practices
- Explicit Literacy Instruction and Strategies
- Instructional Coaching
- Systemic Approach to Produce Sustainability

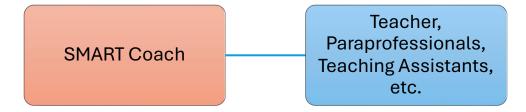

Original SMART

Multi-year (2) literacy project focused on a technical assistance and coaching through learning communities to improve reading instruction for K-3 students through:

- Science of Reading
- Evidence-Based Practices
- Explicit Literacy Instruction and Strategies
- Instructional Coaching

SMART 2.0

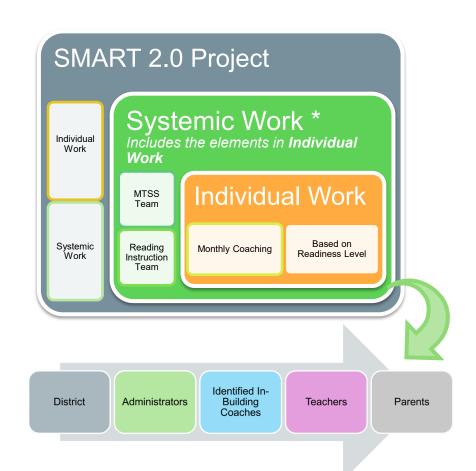

Striving to

Meet

Achievement in

Reading

Together 2.0

Pivotal Moments

The SMART Coach Alignment Collaborative

- 16 SMART Coaches (contractors) familiar with SMART, but not Cultivating Readers
- 2 Day Collaborative Event
- SMART Coaches came to IDE to:
 - Learn about changes made from the original SMART to SMART 2.0
 - State Systemic Improvement Plan (SSIP)
 - State Personnel Development Grant (SPDG)
 - Plan participant events and activities
 - Learn about new data collection components & accountability tools in SMART 2.0
 - Create an outlined document on SMART Coach expectations for Reading Instruction and coaching sessions

Planning the Fall Symposium

- Two different teams from two different departments merging to create a cohesive team for the project.
- Two different projects with two different processes for holding their fall kickoff event.
- Individual teachers from SMART and Systemic Schools from Cultivating Readers.
- A month and a half to plan all four locations for over 600 participants.

Merging Two Departments for One Initiative

- Different processes and systems in Content and Curriculum
- Different processes and systems in Special Education
- Different processes and systems within the State Personnel Development Grant- originally Cultivating Readers
- Creating a new team with new processes and systems for SMART 2.0

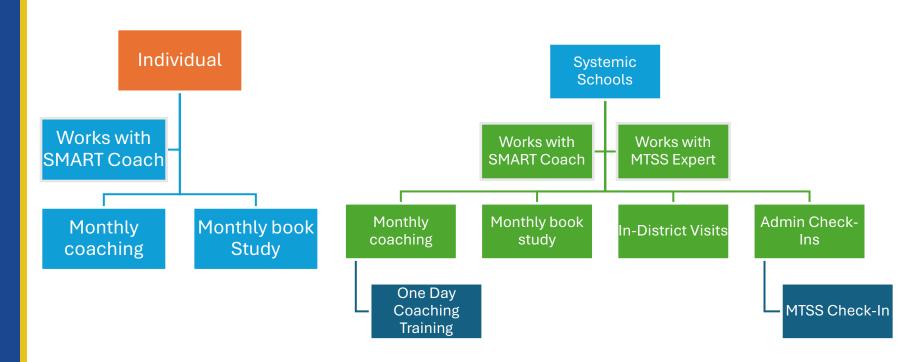

Where We Are Today

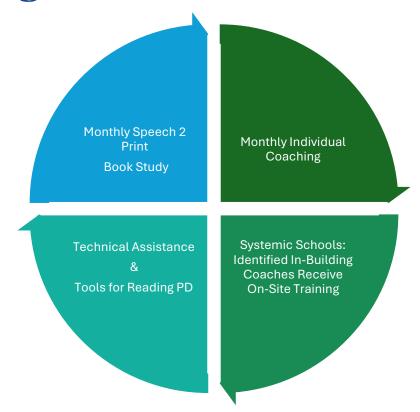

Implementation

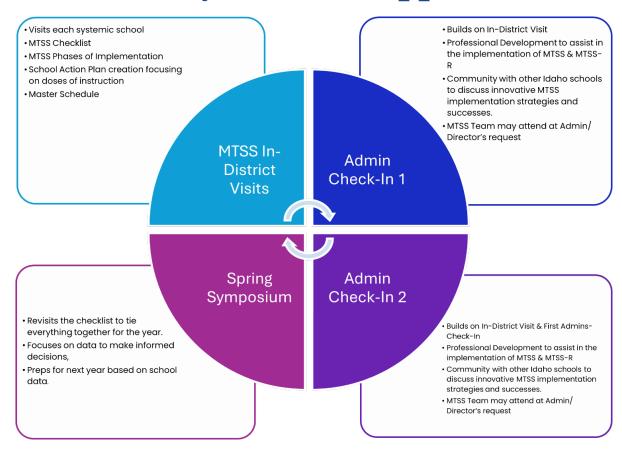

Reading Instruction

Multi-Tiered Systems of Support

What We Have Learned

SMART 2.0 and Onward

- Adjust to meet participants various needs based on the unique situation that is the merger
- Create processes and systems that work within the new SMART 2.0
 Team- not Cultivating Readers and not SMART, but as a new project.
- People are cheering you on and want you to succeed! We have appreciated everyone's:
 - Patience
 - Flexibility
 - Encouragement
- Having grace towards ourselves as we figure this out
- Teamwork makes the dream work!
