INTRODUCTION

The Idaho State Department of Education (SDE) Idaho System for Educational Excellence (ISEE) is designed to consolidate data collection and to improve reporting. Data provided in this collection process will be used in determining:

Important: *Salary Based Apportionment Funding, School Accreditation Status, and Average Yearly Progress.*

It also provides the basis from which statistical summaries are compiled which local education agencies, the Idaho State Department of Education, and other governmental entities (both state and federal) use for decision-making. The summaries also provide information to other individuals and organizations interested in Idaho public education. The cooperation of all Idaho schools and administrators is needed in order to provide complete and accurate information for the advancement of public education programs.

Revisions to the ISEE manual

New for 2019-2020:

- Education allocations, 5th year phase in:
- Bachelor degree + 24 credits - \$2,000
- Master's degree or higher - \$3,500

I ISEE Staff Data Collection

I.C. §33-1004D. Reporting – Idaho Basic Education Data System.

“For each employee of the school district, a report shall be made in a format prescribed by the State Superintendent of Public Instruction, which shall include sufficient identifying information to provide individual verification, education, teaching experience, and other district employment information. The form shall be filed with the State Department of Education not later than October 15 of each school year.”

ISEE STAFF DATA GENERAL INFORMATION

The Idaho State Department of Education has established the following guidance and procedures for submission of this data.

ISEE is a comprehensive data submission consisting of twelve files. Each file consists of data elements pertaining to students, staff, courses and locations. For the purpose of this manual, only two files are covered: Staff Demographic & Employment and Staff Assignments.

Data Submissions snapshot date 2019-2020

There are six (6) data uploads during the year. Refer to SDE ISEE data submission schedule for specific timelines on the ISEE webpage.

The staffing portion of Salary Based Apportionment is calculated using staff demographic and staff assignment data as of a “snapshot” date.

Timeline

- **Last Friday in September** - District/Charter submits staff demographic and staff assignment data as of the last Friday in September (September 27, 2019) - a “snapshot” in time.
- **October 15, 2019** –All staff and assignment data are uploaded using the SRM tool. The data must be free of errors and validated. No other format is accepted. (I.C. §33-1004D).

Note: When October 15 falls on a weekend or holiday, the report is due on the next business day.

- **Uploads impacting staff funding**
 - August Alternative Summer School.
 - October 15 staff “snapshot” data.

Note: November upload contains October’s snapshot data and will override the October files.

- **Friday, December 6, 2019** Last day to submit staffing corrections for the February 15, 2020 payment. Revisions submitted after December 06, 2019 will not be reflected in the February 15 payment.
- **Corrections submitted after December 6, 2019** will be considered for the May 15, 2020 payment only if approved by Public School Finance (PSF). For approval, the following requirements must be met:
 - A letter of special circumstance must be sent to PSF.
 - The letter must be signed by the district superintendent or charter school administrator.
 - The letter must contain an explanation of the special circumstance(s) causing the revision(s).
 - Each change to a data element must be identified.
 - Supporting documentation may be requested.

Important: Corrected files submitted without the approval of PSF will not be processed. The last day to submit mid-term revised data is Friday, March 27, 2020 for the May 15 payment.

ANNUAL STAFF STATISTICAL DATA

(Staff salaries and staff activities) shall be published on January 1 each year (I.C. §33-135).

All data submissions must accurately reflect correct information with regards to classes, teachers, and teacher roles. Leadership Premium FTEs are derived from the snapshot data.

Please work with your IT regional coordinators to ensure student course enrollment records are completed accurately and correlate to the teacher assignment records.

Employee ISEE Information

Required

- Public School Districts/Charters must report all positions employed on a regular basis. (Failure to submit accurate ISEE data may impact accreditation and/or state funding.)
- Information must be updated each school year to reflect the activities of the district/charter for:
 1. Returning Employees
 2. New Employees
 3. Employees terminated after July 1 (for those employees not terminated in the prior year and who are not returning to the district or charter school with a current year contract).
 - a. Update records: years of experience (if applicable), employment status, termination date, and termination reason.

Important: *Conflicting demographic data records may impact funding and interfere with a teacher's Career Ladder placement.*

Not-Required

1. Persons employed during emergencies.
2. Irregular help (i.e., short term substitutes), volunteers and student food service employees.
3. Non-District/Charter Contracted Staff (report on manual ISEE form 6)

STAFF CONTRACT AND CERTIFICATION

Professional Personnel, Staff Categories and Certificate Required (I.C. § 33-513 & I.C. § 33-5206), Staff Categories (I.C. §33-1004), and Certificate Required (I.C. § 33-1201).

All Administrative, Pupil Service, and Instructional staff must hold the appropriate contract and certification for the service being rendered.

For funding purposes, staff members are categorized as:

- **Administrative staff** – those who hold an administrator certificate and are employed as a superintendent, an elementary or secondary school principal, or are assigned

administrative duties over and above those commonly assigned to teachers. Subject codes 4X.

- **Pupil Services Staff** - those who provide services to students but are not involved with the direct instruction of those students, including staff holding a pupil services certificate. Includes counselors, speech therapists and school nurses.
- **Instructional Staff** - those involved in the direct instruction of a student or group of students and who hold an Idaho certificate issued under I.C. §33-1201 (Certificate Required, (Idaho Code).
- **Classified (Non-certificated)** – Subject area 9X

Note: Refer to 2019-2020 SDE Assignment Credential Manual on the ISEE manual page for the most current information and updates.

Professional Personnel (I.C. §33-513)

The board of trustees of each school district, including any specially chartered district, shall have the following powers and duties:

- “To employ professional personnel, on written contract in form approved by the state superintendent of public instruction, conditioned upon a valid certificate being held by such professional personnel at the time of entering upon the duties thereunder.”
- “In the case of school districts other than elementary school districts, to employ a superintendent of schools....”
- “To employ through a written contract principals who shall hold a valid certificate appropriate to the positions for which they are employed...”
- “To employ assistant superintendents and principals...”

I.C. § 33-5206(4)

“Employment of charter school teachers and administrators shall be on written contract conditioned upon a valid certificate being held by such professional personnel at the time of entering upon the duties thereunder.”

Certificate required (I.C. § 33-1201)

“Every person who is employed to serve in any elementary or secondary school in the capacity of teacher, supervisor, administrator, education specialist, school nurse or school librarian shall be required to have and to hold a certificate issued under authority of the state board of education, valid for the service being rendered.”

Non-Certificated (classified) staff

These are employees for which retirement and social security payments are withheld, but whose occupants are not required by law to hold a professional certificate issued under the authority of the Idaho State Board of Education. However, funds may be withheld for misassignment if standards exist for the service being provided and the person does not qualify for the required certifications*.

Examples: Include business managers, office and clerical personnel, janitors, building/grounds workers, carpenters, painters, repair people, mechanics, bus drivers, school food service workers, and teacher assistants employed on a regularly scheduled basis.

Note: Beginning in 2018-19, Occupational Therapist and Physical Therapist may again be certificated staff, or classified staff depending on if they hold the appropriate certificate) Refer to 2018-2019 Assignment Credential Manual on the ISEE manual page.

For the purpose of this data collection, employees are referred to as certificated or as non-certificated.

Do not use non-certificated assignment codes to report positions for which certification standards exist. State funds may be withheld if such employees are omitted or improperly reported regardless of the funding source. (I.C. §33-1002(6) (d)).

Employees Performing both Certificated and Non-Certificated Assignments

If a person is employed by a school district/charter in both a certificated and non-certificated capacity, ISEE information must be submitted for both the certificated and non-certificated positions. Do not add non-certificated pay to the base salary or include the FTE with the contract FTE.

Example: A classroom teacher who also drives a school bus before and after school.

Employed in Multiple Districts/Charters

An individual may be employed or shared by more than one district/charter. Each district/charter is responsible for reporting their portion of the FTE, salary, and assignment information on the ISEE system. Be aware that conflicting demographic data records, such as experience and education, may impact your funding.

Reconcile Current Year to Prior Year Data

The district/charter is responsible for reconciling current year staff data with prior year staff data. Add new employees. Update years of experience and education for certificated staff.

Update records for terminated/inactive staff: years of experience (if applicable), employment status, termination date, and termination reason.

Important: *Conflicting demographic data records may impact funding and interfere with a teacher's Career Ladder placement.*

Non-District/Charter Contracted Staff

Data should be completed for all contracted personnel who are not directly employed by the district. A "non-district" employee means a person for whom the school district does not pay the employer's obligations for employee benefits. These are positions that are not paid through your payroll system. This would include contracted professionals such as Psychologists and Speech/Language Pathologists (a person employed by district trustees as an independent contractor; paid through purchase services and issued a 1099 form).

- Districts/charters with non-district contracted staff must submit data for certificated positions using ISEE Staff Form 6 (See Appendix A for example).
- Contracted individuals performing "certificated" duties must meet the State Board of Education certification standards and be reported regardless of their funding source.
- Districts/Charters contracting for a complete service such as a janitorial service should contact the SDE for assistance in determining and classifying the salary portion of the contract. Non-district forms are not required for contracted pupil transportation.

REVIEWING ISEE INFORMATION AND REPORTS

Each district/charter is responsible to review and validate all information relating to the ISEE data. Any discrepancies should immediately be brought to the SDE's attention, corrected, and resubmitted. After the October files are submitted, review the following reports for accuracy and completeness:

- All Personnel Employment Info- V6 (all funds, all staff)
- District Index (Administrative staff with fund source code 10 only)
- Employment Placement Report (Administrative staff with fund source code 10 only)
- Instructional Staff FTE and Salary Report Including Summer School (fund source code 10)
- Pupil Service Staff FTE and Salary Report Including Summer School (fund source code 10)
- Staff Salary Summary (all funds)
- Staff Salary Summary (fund source code 10)
- Staff Assignments FTE Variance - Edit Report (all funds, all certificated staff)

All employees on your payroll must be listed on the All Personnel Employment Info V6 report. Review the Employment Placement report to ensure all certificated administrative staff coded to fund 10 are reported accurately and the FTE and factored FTE are correct. Reconcile the reports to payroll records and budgeted estimates to ensure accuracy.

See Appendix B for examples of reports and the applicable business rules.

II Basics of ISEE Reporting

All districts/charters are required to upload staff and assignment data using the SRM tool. No other method shall be accepted.

DATA ELEMENTS USED IN THE ISEE STAFF REPORTING PROCESS

Data elements are uploaded using the SRM tool. Proper coding is essential when entering data into the system. Refer to SDE website for details, guidance and documents. Be sure to check back as these are updated throughout the year.

III Staff Demographics, Employment, and Assignments

Important: Review all existing personnel records for completeness and accuracy. Update and review demographic files.

BASIC DEMOGRAPHIC DATA ELEMENTS REQUIRED FOR ALL STAFF MEMBERS

Section 7 of Staff Demographic File

Unique Identification Number

ISEE data collection uses the staff members unique Idaho Staff Identification Number (EDUID). The accuracy of this number is essential, as it links all records on an individual within ISEE (i.e., personnel information, contract, assignment, background checks, certification, students, etc.).

Important: Resolve all discrepancies as soon as possible.

- **Last name:** The complete legal surname/family name(s). That which may be inherited (passed) to an individual at birth, baptism, or during another naming ceremony, or through legal change.
- **First Name:** The complete legal given first name(s) given to an individual at birth, baptism, or during another naming ceremony, or through legal change.
- **Middle Name:** The complete legal given secondary name(s) given to an individual at birth, baptism, or during another naming ceremony.
- **Former name:** Any names that were used in the past by the employee

Birth Date (Month/Day/Year)

- **Verify** this date; MM/DD/YYYY OR MM/DD/YY. All employees must be eighteen years of age or older to be entered into the system.

Gender (M/F)

Ethnicity

- Is Hispanic (Y/N)

- Is Asian (Y/N)
- Is American Indian or Alaska Native (Y/N)
- Is Black (Y/N)
- Is Native Hawaiian or Pacific Islander (Y/N)
- Is White (Y/N)

Has Certificated Assignments (Y/N)

Is this staff member to be treated as a certified staff member? If yes, they must have certified assignments, be on a contract, and all the fields applying to certified staff must be completed.

Is Paraprofessional (R, T, or N)

(Modified Definition) For paraprofessionals working with students, the type of paraprofessional: Regular or Title 1?

Must have para-professional instructional assignments, is not to be treated as a certified staff member (for those assignments), and works under the direction of certified staff. Title 1 paraprofessional's records should have funding sources tied to Title 1 and should report Title 1 paraprofessional qualification fields.

- **Option Set – Parapro type:**
 - R Regular Paraprofessional
 - T Title Paraprofessional
 - N Not Paraprofessional

Base School ID

This is the SDE assigned school number where the employee has their primary responsibility or where they receive their mail.

Employment Date

The month, day, and year the employee began current, continuous employment with the district/charter. If a non-certificated employee changes to a certificated employee, use the date of certificated employment.

Employment Status

See additional information below.

IV Certificated Staff

CERTIFICATED STAFF DEMOGRAPHICS

Each certificated employee employed as of the last Friday of September in the regular school year must have the following records:

- Personnel Information / Basic staff data elements
 - Input/update the personnel information data
 - (See Section II. (A) Basic Demographic Data Elements for all Staff Members)
- Education and Experience history data for 2019-2020
- Contract data for 2019-2020
- Assignment data for 2019-2020

Education and Experience History for 2019-2020 (I.C. §33-1004)

The education and experience records are essential to funding state Salary and Benefit Apportionment and must be in compliance with state and federal laws and regulations. Accuracy is critical when completing these records.

(These records may be left “blank” for employees working only in non-certificated positions – skip to Section V, Non-Certificated Staff.)

Important: *Update staff experience and education for all certificated staff for the 2019-2020 school year.*

The Career Ladder does not alter this basic reporting process. In order to transition to full implementation of the Career Ladder over the first five years, update staff demographic files each year. The education allocations for FY19 will be derived from updated 2019-2020 data (see Appendices A and B for new and updated staff funding reports).

Starting with the transition to the 18-19 school year for instructional staff (19-20 for pupil services staff), in order to move from the final cell of the residency rung to the first cell of the professional rung, the individual must hold a professional endorsement.

Important: *Additionally, starting in 18-19 for all staff, in order to move forward on the professional rung, individuals must meet certain performance criteria.*

The criteria currently outlined in I.C. §33-1001(14) are:

*An overall rating of proficient on the state framework for teaching evaluation,
No components rated as unsatisfactory on the state framework for teaching evaluation,
Demonstrating the majority of their students have met their measurable student achievement targets or student success indicator targets*

If an individual does not have at least one year in the previous three where they met all three criteria above, they would not move forward on the professional rung, and would remain funded (including any applicable education allocations) at the prior year's funding level.

Please note, the required number of years to be met will change in each of the following years as well.

CERTIFICATED STAFF DATA RECORDS.

The following data records must be completed updated for all certificated staff.

Education

This area provides information concerning the employee's most current education and additional credits history of certificated employment in the educational K-12 field as of the last Friday in September. Degrees and credits completed after this date are not recognized until the following fiscal year.

Important: *Do not update during the fiscal year.*

Critical Fields to maintain for Staff

- Transcript Year (section 7)
 - The year of the most recent transcript for the employee
- Initial Certification Year (section 7)
 - The date teachers or administrators first received initial or full state certification, regardless of state issuing the certification or even if the certificate lapsed (leave blank for non-certificated employees)
 - Initial and/or full certification may or may not have been received in Idaho
 - Initial and/or full certification is the issue date of the certificate (even if lapsed)
 - Provisional, Temporary or Emergency permits do not qualify as initial certification

Note: *The provisional year may count as experience, if the provisional permit becomes an alternative content specialist or full valid certificate the next year.*

Determining Initial Certification Date

- Alternate Authorization
 - Teacher to New Certification/Endorsement Date of the first certificate
- Alternative Authorization Content Specialist Issue date
 - During 2015-16, an individual who had never been certificated in any state and participated in the Alternative Authorization Content Specialist under the one year only option is not considered initially certified. This authorization was used as a temporary measure while rules were promulgated.

- Alternative Authorization Pupil Personnel Services: Issue date
- Non-Traditional Route to Teacher Certification (ABCTE & TFA): Issue date

Initial Certification, by federal definition is “the first teaching certificate or license issued to an individual”.

Therefore, non-renewable interim certificates are considered initial certification. However, in order to qualify for full certification, the candidate must fill predetermined requirements to receive a renewable 5-year certificate, referred to as full certification.

Although the “Alternative Route” certificate/authorization is not considered full certification, it does constitute initial certification.

Example 1: *An individual who has never been certificated in any state and completes the Non-Traditional Alternate Route to Teacher Certification (i.e., ABCTE & TFA process) and receives a non-renewable Idaho interim certificate is considered initially certified, but will not be considered fully certified until they have completed all additional requirements (including the required two year mentor program). Upon proof of completion of all of these components, the candidate will become eligible for a full 5 year renewable certificate.*

Example 2: *An individual who has never been certificated in any state and is participating in the Alternative Authorization Content Specialist and has received the authorization is considered initially certified, but will not be considered fully certified until they have completed all university requirements. Upon proof of completion of all of these components, the candidate will become eligible for a full 5 year Renewable certificate.*

Note: For comprehensive information, refer to www.sde.idaho.gov/site/teacher/certification.

Initial Certification State (section 7)

Enter the state in which the initial teaching certification was granted (even if the certification has lapsed). Teacher certification maintains a database with current certification and endorsement data. This data field is used for statistical purposes.

Degrees

Thirty-two fields are available for reporting degrees and up to four degrees may be reported per certificated employee. The first 13 degree fields are grouped to report the highest degree for funding and are required for certificated staff. The remaining fields available are for reporting additional degrees, if applicable. Although the additional fields are optional, the fields are critical to funding the education allocation for the master's degree.

Highest Degree Claimed for Funding (section 6)

Note: See section below regarding additional degrees for education allocations

The highest degree claimed by the employee for funding purposes. In some cases, for index placement purposes, it may be beneficial to report an employee with their lower degree and additional credits earned beyond said lower degree. This occurs because the index multiplier table has degrees and credits that overlap.

Important: For index placement and funding purposes, use the most beneficial multiplier.

Example: A certificated employee has a MA + 5 credits beyond the MA degree and initial certification. The same employee also has a BA+60 credits earned after initial certification. The index multiplier is higher if reported as BA+60.

For certificated staff with master's degrees reported in this manner, report the master's degree in the Additional Degree field(s). This field must be entered in order to receive the Education Allocation.

Career Technical Allocation (CTE)

For certificated staff with an Occupational Specialist (OS) degree and another higher degree, report the OS degree in the Additional Degree field(s).

Districts and Charter schools receive an additional career technical education (CTE) allocation for \$3,000 for instructional staff holding an occupational specialist certificate (OS) for which they are teaching. The CTE allocation is pro-rated according to contract FTE, funding source codes, and assignment FTE.

Example 1: A teacher holds a contract for 1 FTE. Their funding source is 100% fund 10 and 100% of the teacher's assignments are CTE courses. The allocation is \$3,000.

Example 2: The CTE teacher holds a contract for 0.50 FTE with all assignments for CTE courses. The allocation is \$1,500 (50%*\$3,000).

Example 3: The CTE teacher holds a contract for 1 FTE. Funding sources are 75% fund 10 and 25% fund 09. All Fund 10 assignments are for CTE courses. The CTE allocation is \$2,250 (75%*\$3,000).

Example 4: The teacher holds a contract for 1 FTE. Their funding source is 100% fund 10 but only 90% of the teachers assignments are CTE courses. The allocation is \$2,700 (90%*\$3,000).

Option Set Education Degree

Enter the code that represents the educational level or degree reported.

B – Bachelors
BA – Bachelors of Arts
BS - Bachelors of Science
DR – Doctorate
ES – Ed Specialist
HS – High School
M – Master’s
MA – Master of Arts
MS – Master of Science
OS – Occupational Specialist
O – Other
A - Associate

Effective July 1, 2000, instructional staff whose initial certificate is an occupational specialist certificate shall be treated as BA degree prepared instructional staff. Credits earned by such occupational specialist instructional staff after initial certification shall be credited towards the education factor (I.C. §33-1004A). Only those certificated employees with occupational specialist certificates are to be reported as an "OS" degree designation.

Example 1: Fred has exceptional knowledge and skills as a welder but does not have a college degree. He completes the requirements and is issued an occupational specialist certificate. Later he receives 15 additional college transcript credits from the local community college. Fred is reported as OS+15, which is treated as BA + 15.

Example 2: Fred continued taking classes and earned a BA degree a few years later. He is reported in ISEE as BA + 24 for funding. Report the OS degree in the Additional Degree field in order to recognize the OS degree for the CTE Allocation.

Year of Degree Claimed (section 7)

The year in which the highest degree claimed was earned.

Additional College Transcript Credits Beyond Highest Degree Claimed for Funding (section 7)

Basic guidelines for reporting additional college transcript credits earned beyond the degree reported and initial certification:

- Credits must be from an accredited college or university. (Courses for which academic credit is awarded by an accredited college or university, and can be used towards a degree).
- District/charter must have an official transcript on file before these credits may be claimed.
- Report all eligible credits in semester credit hours only.
- One (1) quarter credit hour converts to .67 semester credit hour. Round fractions down to the nearest credit.
- In-service credits do not qualify.
- Continuing Education Units (CEUs) do not qualify unless the credits are a result of courses taken for college credit.
- The issue date of the initial certification remains the same regardless of certification status (active or inactive).
- Credits must be earned prior to the last Friday in September (same as the requirement for counting completed years of experience).
- All credits and degrees earned must be in a relevant pedagogy or content area as determined by the State Department of Education (I.C. §33-1004B (6)).

Credits and degrees earned toward the Education Allocation

(I.C. §33-1004B Career Ladder)

School districts shall receive an additional allocation amount for instructional staff holding a professional endorsement*.

Note: *Effective July 1, 2019, through June 30, 2020, the education allocation shall be:*

- \$2,000 per fiscal year for instructional and pupil services staff holding a professional endorsement and a baccalaureate degree with twenty-four or more additional credits.
- \$3,500 per fiscal year for instructional and pupil services staff holding a professional endorsement and a master's degree.
- The state board of education shall promulgate rules implementing the provisions of this section.

**33-1201A. IDAHO PROFESSIONAL ENDORSEMENT -- ELIGIBILITY. (1) “Any instructional staff employee or any pupil service staff will receive mentoring as outlined in such employee’s individualized professional learning plan during the initial three (3) years of holding such certificate. Upon holding a certificate for three (3) years, any such instructional staff or pupil service staff employee may apply for an Idaho professional endorsement. “*

**33-1201A (2) Any instructional staff employees who have held a certificate that qualifies them to teach in the classroom for three (3) or more years prior to the effective date of this act July 1, 2015, or pupil service staff employees who have held a pupil personnel services certificate for three (3) or more years prior to July 1, 2016, shall automatically obtain an Idaho professional endorsement under this section.*

Note: For funding purposes and placement on the career ladder, the out of state staff will align with experienced Idaho staff [I.C. 33-1004B (4)]. However, until they receive a professional endorsement, they will not qualify for the education allocation. Please refer to Form P1 (Professional Endorsement Application) and the Professional endorsement District Charter Guidance on the Teacher Certification website.

Examples

The following examples deal with issues relating to reporting initial certification, additional credits, and education allocations:

Example 1: Mary completed a teacher preparation program and received full certification in Utah in 2014. Mary taught first grade in Utah during 16-17, did not teach in 17-18 or 18-19. She is seeking an Idaho certificate/credential, but does not currently meet Idaho’s requirements. Upon application, Mary would be issued a three-year non-renewable interim certificate allowing time to meet Idaho’s requirements by 2019. Although Mary is on an Idaho interim certificate, her initial certificate date would be the date she received full Utah certification in 2014. Place Mary on the third rung of the Career Ladder (RP3). Submit Mary’s information in the October 2019 ISEE upload. In order to create a permanent record in the core database and to establish placement on the Career ladder, report Mary’s experience and education history as of

September 2014 on 2019-20 ISEE Form 8 and determine the her career ladder placement (see Appendix A).

Example 2: Colleen is an out of state experienced teacher beginning her first year in Idaho. She has a doctorate and 20 years of experience. After processing ISEE Form 8, Colleen is placed in the P10 cohort for funding purposes, but will not be funded for the education allocation until she has obtained a professional endorsement. The District/Charter should contact Teacher Certification for help with professional endorsements.

Example 3: John was teaching on a provisional/emergency/temporary certificate in another state and is seeking certification in Idaho, but has not completed a teacher preparation program and does not have any type of full out-of-state certification. Certification or authorization (when applicable) is required in order to receive state funding. Idaho does not have reciprocity with any provisional/emergency/temporary out-of-state certificates/credentials. Place John on the first rung of the Career Ladder – R1. Funding will be withheld unless certification or an authorization is in place.

Example 4: Cheryl, a math teacher, received initial Idaho certification in 2012. She continued her education while teaching and became a certificated Speech/Language Pathologist in 2017 (pupil service). Cheryl's initial certification year is 2012, the issue date of the initial certification. All credits earned after initial certification may be added. Cheryl was automatically grandfathered in with Professional endorsement.

Example 5: Sandra, an elementary teacher, earned 12 additional credits from the University of Idaho by attending summer school. Official transcripts however, will not be available until after the ISEE filing deadline. The University of Idaho notifies the district in writing that Sandra has earned the additional 12 credits. Sandra can be reported on the ISEE system using the additional 12 credits earned.

Example 6: Jill received a BA degree in the spring of 2011 and received initial Idaho certification on August 28, 2011. After teaching one year in Idaho, Jill discontinued teaching for a few years and let her certificate expire. She later decided to pursue her teaching career and earned an additional 24 college credits working to obtain an occupational specialist (OS) certificate in 2017. Report Jill as a BA + 24 credits with one year of experience. She will be placed on the second rung of the career ladder (RP2). Jill was automatically grandfathered in with a Professional Endorsement and qualifies for the education allocation. Submit Jill's information in the October 2019 ISEE upload. In order to create a permanent record in the core database and to establish placement on the Career ladder, report Jill's experience and education history as of September 2014 on the 2019-20 ISEE Form 8 (see Appendix A).

Additional degrees

Data Elements for up to four (4) additional degrees

Important: For the career ladder, if a teacher holds a master's degree but is reported with a lower degree plus additional credits for funding purposes, enter the master's degree in the additional degree fields. These fields must be entered in order to receive the Education Allocation.

Additional degree(s) earned by this employee other than the one claimed for funding (need not be earned prior to the claimed degree).

- If the teacher has a master's degree as of the last Friday in September 2019, and if the teacher has a professional endorsement, the educational allocation is applicable (see I.C. 33-1201(A) - Idaho Professional Endorsement Eligibility). The additional funds increase the average salary when calculating salary based apportionment. For a district to receive additional funds, the master's degree must be reported in ISEE in a staff demographic file. Whether the degree is reported in the highestDegree field or in the additionalDegree field, the master's degree will be recognized for the allocation.
- For teachers with a master's degrees, but reported as BA+48 or BA +60 (the highest degree for funding purposes), enter the master's degree in the additionalDegree field in staff demographic file. The program will recognize additional higher degrees for the education allocation.

EXPERIENCE I.C.33-1004A

This area provides information concerning the employee's actual completed history of certificated employment in the educational K-12 field.

Important: Update this critical information each year.

Prior Idaho Public K-12 Years of Experience (Section 7)

- Enter the total number of years of completed certificated public school experience (K-12) in Idaho. Do not include Pre-K experience. (Exception: early childhood special education in a public school or accredited school.)
- Must be 50% or more in a certificated position.
- Each year is considered on its own; partial years cannot be combined.
- A certificated employee new to the profession always begins with zero years of experience.

Important: Do not count the current year as it has not yet been completed.

Prior Public K-12 Years of Experience – Other States (Section 7)

- Enter the total number of years of completed certificated public school experience (K-12) in another state (excluding Idaho). Do not include Pre-K experience. (Exception: early childhood special education in a public school or accredited school).
- Must be 50% or more in a certificated position.

Prior Accredited Private or Parochial School K-12 Years of Experience - Non-public (Section 7)

- Enter the total number of years of completed certificated non-public educational experience (K-12) the employee has accumulated at an accredited non-public school.
- Must be 50% or more in a certificated position

Accredited Idaho College or University Years of Experience (Section 7)

(Applicable to Administrative service for administrator certificate holders) I.C. §33-1004A (2)

- Enter the total number of completed years of experience with an Idaho accredited college or university where the experience was the equivalent to the K-12 instruction environment.
- The K-12 district/charter hire date must be after June 30, 2005 to count college or university experience.
- Initial certification must be considered for new instructional and pupil service staff: I.C. §33-1004B (a) Instructional staff and pupil service staff who are in their first year of holding a certificate shall be placed in the first cell of the residency compensation rung and shall move one (1) cell on the residency compensation rung for each year they hold a certificate thereafter, for up to three (3) years, at which point they will remain in the third cell of the residency rung until they earn a professional endorsement.*

Accredited College or University Years of Experience – Other States (Section 7)

(Applicable to Administrative service for administrator certificate holders) I.C. §33-1004A (2)

- Enter the total number of completed years of experience with an accredited college or university in another state (excluding Idaho) where the experience was the equivalent to K-12 instruction.

- The K-12 district/charter hire date must be after June 30, 2005 to count college or university experience.
- Initial certification must be considered for new instructional and pupil services staff: 33-§1004B (3) Instructional staff and pupil services staff who are in their first year of holding a certificate shall be placed in the first cell of the residency compensation rung and shall move one (1) cell on the residency compensation rung for each year they hold a certificate thereafter, for up to three (3) years, at which point they will remain in the third cell of the residency rung until they earn a professional endorsement.*

**With the enactment of the instructional staff Career Ladder on July 1, 2015, (July 1, 2016 for pupil services staff), individuals who are in their first year of holding a certificate are placed on the first step of the career ladder. For this group of new instructors, the years teaching in an accredited college shall not be counted as experience for placement on the career ladder, but would be reported here for index purposes.*

Guidelines

Basic guidelines in reporting completed teaching and/or administrative experience are as follows:

- Only report prior, completed years.
- Do not count the current school year as it is not yet completed.
- Include only certificated teaching and administrative position experience.
- Include only certificated experience from a public school, an accredited private or accredited parochial school.
- Do not include Pre-K experience. (Exception: early childhood special education in a public school or an accredited private school).
- A qualifying teacher and/or administrator must work 50% or more of a given school year – less than .50 FTE does not count.
- Each year is considered on its own, partial years cannot be combined (each year is either one or zero).
- A qualifying teacher and/or administrator must be an employee of a public school, an accredited private or accredited parochial school, or an accredited college or accredited university. Applies only to instructors holding a teaching certificate instructor prior to July 1, 2015 and pupil services staff holding a certificate prior to July 1, 2016.

Example 1: *A district hires a new teacher who has a master's degree and taught at Boise State University for ten (10) years. The teacher received initial certification in May 2017. The years of*

experience at BSU shall not be counted as experience and the teacher is placed on the first rung of the career ladder.

Example 2: *A district hires a new teacher who has a master's degree and taught at Boise State University for ten (10) years. The teacher received initial certification in 2010. The years of experience at BSU may be counted towards experience and the teacher is placed on P4 of the career ladder. The teacher is eligible for the education allocation as she held a teaching certificate for three (3) years prior to July 1, 2015 (I.C. 33-1201A).*

The district submitted a 2019-20 ISEE Form 8, which established an index of 1.61380 in the fall of 2014 (P4).

A leave of absence greater than .50 FTE does not break the continuous employment period, but should not be counted as a year of service.

Include all experience in a certificated position: pupil service, instructor, and administrator. The experience must be in a public school, accredited private or parochial school, or an accredited college or university, and rounded to the nearest year.

Important: *Do not include the current year, experience is not recognized until after the contract is completed.*

Experience prior to becoming certificated or obtaining special approval to teach by the Board of Education shall not be included (i.e. student teaching, internships/curriculums where the individual is not a certificated employee of a K-12 institution).

A certificated employee must work 50% or more of any given year to recognize experience for the applicable year. See the following examples.

Example: *Harry, a 3rd grade teacher, taught 90 days of a 180-day (full-year) contract. Harry's work experience for this year is one (1) year since he completed 50% of the school year.*

For teachers who held a certificate prior to 15-16, and pupil services staff who held a certificate prior to 16-17, completed experience with an accredited college or university may be recognized for those hired in a certificated position (pupil service staff, or teaching and administrative service for administrator certificate holders) where the hire date is after June 30, 2005. Employment in accredited colleges or universities should be according to Idaho standards and may be included with an employee's experience for ISEE purposes provided the instruction is equivalent to K-12 instruction environment.

Important: *Districts will need to assess each situation on a case-by-case basis to determine if the experience is equivalent to an accredited K-12 experience in Idaho.*

- Experience prior to becoming certificated or obtaining special approval to teach by the Board of Education should not be included (i.e. student teaching, internships/ curriculums where the individual is not a certificated employee of a K-12 institution).
- One (1) year should be added to the current year record when the prior year's certificated contract record was 50% or more of an FTE.

When should in-state completed years be changed?

- The employee was reported as less than 50% FTE on last year's ISEE (snap-shot in time) but actually worked 50% or more in a certificated position.
- The employee was reported as 50% or more FTE on last year's ISEE (snap-shot in time) but actually worked less than 50% in a certificated position.
- The employee taught less than 50% FTE in more than one district but the combined FTE for the year was greater than 50%.

Note: Updating years of experience and education in the current year will not change career ladder placement in the base year. If an instructor's history was inaccurate in 2014-15, please contact School Finance.

If a pupil services staff member's history was inaccurate in 2015-16, a prior year correction must be submitted to correct the permanent record, which is based on 2015-16 data. (Appendix A)

CERTIFICATED EMPLOYMENT/CONTRACT DATA

A current Certificated Staff Employment/Contract must be completed for all certificated staff employed by the district/charter as of the last Friday in September.

Current year contract data required for:

- New employees
- Returning employees
- Employees terminated after July 1 (for those employees not terminated in the prior year and who are not returning to the district or charter school with a current year contract).
 - Update records: years of experience (if applicable), employment status, termination date, and termination reason.

Employment Date (section 7)

- Enter the month, day, and year the employee began current, continuous employment with the district/charter.
- If a non-certificated employee is hired as a certificated employee, use the date of certificated employment.

Years in District/Charter (section 7)

The number of years the employee has been employed in the district in a certificated position. This data is only used for statistical purposes to track the mobility of certificated staff.

This field refers to the number of contracts signed within the district. The amount of the FTE is not considered; both a .15 FTE and a full-time certificated employee are counted as one (1) year in the district/charter (one contract signed).

- Record the total number of years the employee has held a certificated position in a district/charter (the numbers of contracts signed within the district – begins with one).
- Include the current year contract.
- The number of years of experience may not correlate with the date of employment if an employee has had two different periods of employment in the district.

Important: Caution – mobility of certificated staff is being extracted from this field and in most instances does not correlate with the completed year's history on the Experience and Education record.

The data collection is asking "Including the current contract, how many years has this individual employee been a certificated staff member in your district?"

Example 1: Mary is a new employee and signed her first contract to teach at the Happy Valley District. The number of years in this district is one (1) year, equaling the number of signed

contracts within the district. The number years of completed teaching experience is zero (0). Mary will be placed on the first rung of the career ladder.

Example 2: Alice is in her second year of teaching at Happy Valley District. Alice has 10 years of completed teaching and administrative experience. The number of years of completed certificated experience is ten (10). The number of years in the district is two (2) year, equaling the number of contracts Alice signed within in the district.

Example 3: Felicia is in her second year of teaching at Happy Valley Elementary. Felicia taught at Happy Valley District during the 2010-11 and 2011-12 school years. She moved out of state and taught in Oregon from 2012-13 through 2017-18. The number of years of completed teaching experience is nine (9). The number of years in district is four (4), equaling the number of contracts Felicia signed within the district.

Employment Status (section 7)

The employee's employment status

- A = Active employee with current assignments.
- I = *Inactive** - The employee is currently on an active contract within the District, but not currently working or having active assignments. i.e. Does not have any currently active assignments, but is expected to return to active status at some point in the future.
Examples include: sabbatical, family leave, maternity leave, etc.
- T = Terminated employee is no longer employed by the district.

- If either “inactive” or “terminated” is indicated, a “reason” code and an effective date must be included (terminationDate and terminationReason).

***Exception to the use of “I” Inactive:**

For Salary Based Apportionment funding calculations, the contracted certificated employee must be active in the October upload to be counted on the last Friday in September and must have active assignments. Therefore, if the employee holds an active contract but is absent 10 consecutive days or more as of the last Friday in September, enter the person’s employment status as “active” for this purpose only.

In the Student Course Enrollment File, enter the EDUID of the absent teacher as the teacher of record in the first IDStaffId field. In the IDStaffId2 field, enter the EDUID of long term substitute or other certificated employee responsible during the teacher of record’s absence.

Termination/Inactive Date (Month/Day/Year) (section 7)

- Used when “inactive” or “terminated” status box is checked.
- Enter the month, day, and year that the employee became inactive or terminated.
- Leave blank for active employees.

Example: *In the current year, Tom is employed by Quality Speech Services but will spend several days a week at the district as a Speech Pathologist. Last year he was an employee of the district. Tom will need to be “terminated” as a district employee (use code 01 - To work for another educational institution in Idaho). Remember to submit ISEE form 6 non-district contracted certificated staff.*

- Complete when status code is “inactive” or “terminated”.
- Leave blank for active employees.

Termination/Inactive Reason Code (section 7)

Inactive Codes

- 11 – Leave of absence
- 12 - Parental/family obligation
- 13 - Service in foreign country

- 07 - Death
- 08 - Reduction in force
- 09 - Personal reasons
- 10 - Involuntary termination

More information can be found on the SDE website under contracts.

Admin/Teacher Contracts

Fields are provided for three (3) contracts.

- Each certificated employee may have up to 3 signed contracts (administrator, teacher, evening, summer).
- One contract shall not exceed 1 FTE.
- The combined sum of the contracts FTE may exceed one, provided each contract does not exceed 1 FTE.
- Each contract shall have corresponding funding source code(s)
- Each contract is treated as a stand-alone contract and is considered on its own merits.
- Each contract shall have corresponding certificated assignments.

Important: *The sum of the certificated assignment FTEs must equal the contract FTE.*

Use the second and third contract if:

- The certificated employee signed separate contracts in your district - Administrator Contract (.5 FTE) AND a Teachers Contract (.5 FTE).
- The certificated employee signed a Teachers Contract AND signed a contract to teach extended hours in an approved alternative secondary evening program.
- The certificated employee signed a Teachers Contract AND signed a contract in an administrative or instructional capacity at an approved alternative summer school during the fiscal year.

Note: *Certificated administrative positions must not exceed 1.00 FTE.*

Example: *Carl has an administrator contract for .50 FTE and a contract to teach as a regular classroom teacher (.50 FTE). Carl also has a separate contract to teach at the approved alternative evening school.*

Each contract is reported separately and has a separate group of fields for funding (see Employee Funding Sources for more information). Carl's total FTE is 1.09 FTE.

Contract 1 Type	A	Contract 2 Type	C	Contract 3 Type	AS
Contract 1 Base Salary	\$40,000	Contract 2 Base Salary	\$30,000	Contract 3 Base Salary	\$3,500

Contract Base Salary

Use “Contract 1-Base” as it appears on the contract.

- Round to the nearest dollar; \$35,856.40 = 35,856
- If the contract includes extended pay, this should be included as a part of the base salary reported.
- **Do not include extra pay such as coaching as a part of the base salary. Report as extra pay.**

Contract Hours (section 7)

Enter the number of hours contracted for the year. Required field - do not leave blank.

Contract Days (section 7)

- Enter the number of days on the contract
- Calculate the number of days using a five-day workweek (even those districts now operating extended days on a 4-day week)

Note: Use the following guideline for consistency:

Monthly contract - total number of weeks x 5 (days) = number of days

Twelve-month contract - 52 weeks x 5 days = 260 days

Contract FTE (section 7)

- The maximum FTE allowable per contract for a certificated employee is 1.00 FTE.
- Certificated employee teaching full-time every day for the entire school year is 1.00 FTE.
- The FTE must be calculated for those with a contract for less than a full school year, fewer than 5 days a week, or less than a full school day.
- Employees with extended contracts do not generate more than 1.00 FTE.
- If the employee is contracted for less than a full school year, divide the number of days in the employee's contract by the standard number of contract days for a full time teacher in the district. You may also use the number of hours contracted divided by the standard contract hours of a full time teacher.
 - Individuals who leave after the snapshot date should continue to have the FTE of their initial contract reported for funding purposes.

Example: Mr. DeMayo was hired in late September to fill a teacher vacancy. His contract is for 170 days of full-time teaching. The district's typical teacher's contract is 190 days. The FTE for Mr. DeMayo is $170/190$ or .89 (89%). The sum of the corresponding Assignment FTE(s) must equal .89 (89%).

- If the employee is teaching less than the full day for the entire school year, divide the number of class periods at work by the number of periods in the usual school day to determine FTE.

Example: Ms. Young teaches 2 periods of a 7 period day for the full school year. The FTE for Ms. Young is $2/7$ or .29 (29%). The sum of the corresponding Assignment FTE(s) must equal .29 (29%).

Extra Pay (use for certificated staff only)

- Enter a descriptive code and the amount of payment for special or supplemental duties performed which are not in the base contract salary.
- Use the code from the option codes below that best describes the extra duties that the employee will perform to earn extra pay.
- Report each type of extra pay separately.

Extra Pay Code (section 7)

Codes for the special or supplemental duties performed by certificated staff not in the base pay.

Note: *The option code determines the funding source.*

A - Extracurricular activity; e.g. coaching, debate, special music, drama (fund source 10)

Important: *Do not use classified assignments for extracurricular activities. The amount of the extra pay will be duplicated and the assignment FTE may dilute the contract FTE.*

B – Driver training (fund source 09)

C – Fringe Benefit Cash Amount (fund source 10)

Note: *Report cash amounts that are paid to employees in lieu of another benefit as code C. Include all taxable income that is paid to an employee from a fringe benefit.*

D - Special curriculum assignments and department heads (fund source 10)

- Enter the extra pay amount
- Round to nearest dollar (e.g. \$999.96 = 1000)
- Only four (4) extra pay codes per employee contract record will be accepted

Extra pay codes may be used for certificated employees only

Example: Art Brown has a teaching contract for \$35,000. He also receives \$1,000 for serving as a department head (extra pay type A), \$888 for a fringe benefit cash amount (extra pay type A) and receives \$500 for Leadership Premium (extra pay type L). He is paid from general funds and his contract funding source is at 100% (1.0) from fund source code 10 - the general fund. The Leadership Premium's fund source is 09, other state, and does not dilute his full FTE as calculated for Salary Based Apportionment.

Proficient in Language Other than English (section 7) (Optional)

If this staff member is proficient in a language other than English, enter the code* for that language. If the staff member is proficient in more than one other language, choose the most proficient.

The state where the initial teaching certification was granted.

Base School ID (section 7)

Assigned school number where the employee has their primary responsibility or where they receive their mail.

Employee Funding Sources

A set of four sources is available for each contract and non-classified staff.

Contract Funding Sources

For certificated staff with more than one contract, fields are available to enter funding sources for *each* separate contract: contract 1, contract 2, or contract 3.

Example: *Staff member A has two contracts: a teaching contract for Alternative Summer School funded 100% by fund source 10, and an administrator's contract funded 50% by fund source 10 (General M&O), 25% by fund source 01 (Title 1), and 25% by fund source 04 (IDEA special Ed).*

Multiple Funding Sources

If an employee is paid from multiple funding sources, review the allocations to ensure the sum of the fund source percentages equals 100(%) (Contract FTE is irrelevant to the funding percent).

Example 1: Ms. Smith holds three contracts. Contract 1 is an administrator's type A contract (Special Ed Director), 0.50 FTE paid out of Title I and Federal IDEA funding. Her second contract is a teaching type C contract for 0.50FTE paid out of the general fund. She also teaches alternative summer school, which is funded by the general fund:

Contract 1 Type	A	Contract 2 Type	C	Contract 3 Type	AS
Contract 1 Base Salary	\$40,000	Contract 2 Base Salary	\$30,000	Contract 3 Base Salary	\$3,500

Contract 1 Percent Source 4		Contract 2 Percent Source 4		Contract 3 Percent Source 4	

Example 2: Mr. Jones works half days as kindergarten instructor (0.50 FTE) and is paid fully out of the General Fund and would be reported as:

Contract 1 Funding Code 1 – 10

Contract 1 Percent Source 1 – 100

Mr. Jones also works in the afternoon as a non-certificated teacher's aide and is paid fully out of Title I-A funds. This would be reported as:

Non-Certificated Funding code1 – 01

Non-Certificated Percent Source 1 - 100

Example 3: Mr. Lyons works 3 periods per day as a Title 1-C teacher and 4 periods as a math teacher paid by the General Fund. He would be reported as:

CERTIFICATED STAFF ASSIGNMENT DATA ELEMENTS

Idaho Unit Record Collection, Section 8, Staff Assignments

Important: *Certificated Staff Assignment data records must be submitted for all certificated employees. Funding is based on the data submitted as of the last Friday in September; a “snap shot in time”.*

The assignment data must be completed for each certificated contract. In some cases an employee may have a contract to teach all day at the regular school and then a contract to teach at the alternative school in the evening. Assignment data must be completed for each contract.

Idaho Staff Number (section 8)

Enter the employee’s unique Idaho Staff Identification Number.

School ID (section 8)

Enter the school number in which the assignment takes place using the School ID for your district. This is the SDE assigned school number in the Idaho Education Directory.

If an employee has the same assignment in more than one building, it is important for school accreditation purposes to show the assignment in each building.

Example: *A principal oversees two buildings. An assignment code for the principal should be entered for each school.*

Contract Number (section 8)

Enter the number of the contract which corresponds to the assignment code (Contract 1, 2, or 3 - not to be mistaken with contract type (A, R, AS). Is this the 1st, 2nd, or 3rd contract?).

Important: *Do not enter a contract number for classified assignment codes.*

Section Period (section 8)

The period of the day for the instructional course/assignment section.

Important: Do not report teacher preparation periods.

Certificated staff performing their duties "by assignment" rather than "by period" can enter the information as a single assignment.

Example 1: Ms. Smith works exclusively at Monroe's Elementary School as the principal.

Enter assignment data for period one only.

Principal	Period 1	1.0 FTE
-----------	----------	---------

Example 2: Mr. Jones is a principal and teaches three classes of American History per day.

Principal	Period 1	.570 FTE
History	Period 3	.144 FTE
History	Period 4	.143 FTE
History	Period 5	.143 FTE
		1.000 FTE

Staff Assignment Code (section 8)

The Idaho state assignment code that best outlines the particular assignment. This code should be the same code used when matching instructional staff records between Staff Assignments, Student Course Enrollments, and Master Course Schedule files.

Refer to 2019-2020 Assignment Credential Manual on the ISEE website.

Note: The Certificated Staff Assignment data must be as of the last Friday in September; a "snap-shot in time".

Alternate day kindergarten teachers and year-round "track schools" should report the last full day prior to the last Friday in September that they were in session.

Teaching Role (Section 8)

For Teachers, the primary role they play in the classroom:

T - Teacher of record:

Teacher of record that is solely in charge of a classroom and leading instruction.

P - Proctor:

The person proctoring the class for the teacher in the case of a virtual course.

Important: The certified staff person, assisting a regular classroom team teacher, providing supplement educational guidance to students. May share the same class period and assignment, but the students will be assigned to the teacher of record.

1 - Lead Team Teacher:

Teacher works with an Assisting Teacher, but is in the master or mentor teacher role. Students are all assigned to this teacher's assignment.

2 - Assisting Teacher:

Teacher assisting a lead team teacher. May share the same class period and assignment, but the students will be assigned to the lead teacher.

C - Co-Teacher:

Class is team taught and this teacher shares duties equally with another teacher. Each teacher has an assignment and student courses are generated for each teacher. Students are assigned to both courses.

L - Long Term Substitute:

A person who has taken over an assignment for a teacher of record, who stays in the same classroom, teaching the same assignment for 10 consecutive days or more. An individual who temporarily replaces a contracted certificated classroom educator for 10 consecutive days during the school year.

X - Short Term Substitute:

A person who has taken over an assignment for a teacher of record, who stays in the same classroom, teaching the same assignment **for less than** 10 consecutive days. An individual who temporarily replaces a contracted certificated classroom educator for less than 10 consecutive days during the school year.

FTE (section 8)

The full-time equivalent status for this assignment.

Note: The sum of the assignment FTE(s) must equal the contract FTE amount.

Example 1: Chester Arthur is a certificated instructor with an annual contract of 1.0 FTE. Chester teaches at a secondary school with a six period day.

Period 1 - Geography	0.20 FTE
Period 2 - Social Studies	0.20 FTE
Period 3 - Social Studies	0.20 FTE
Period 4 - Social Studies	0.20 FTE
Period 5 - Geography	0.20 FTE
Period 6 - Prep Period	0.0 FTE (N/A, do not submit)
Total FTE	1.0 FTE

Example 2: Lily is a certificated instructor with an annual contract for 0.5 FTE. Lily teaches one kindergarten class at an elementary school.

Period 1	Kindergarten	0.5 FTE
	Total FTE	0.5 FTE

Example 3: Late Hire: Mary is a certificated instructor hired at the end of September with an annual contract of 0.90 FTE. Mary teaches one kindergarten class in the morning and one class in the afternoon. Even though Mary will teach a full day for the remainder of the year, she is contracted for fewer days than the average full time teacher in her district due to the late start date (171 days/190 days = 0.90 FTE).

Period 1	Kindergarten	0.45 FTE
Period 2	Kindergarten	0.45 FTE
	Total FTE	0.90 FTE

Assignment Start Date (section 8)

The date this assignment starts.

Assignment End Date (section 8)

The date this assignment ends.

Notes (section 8)

Any comments or explanatory notes for the data in this record.

V Non-Certificated Staff

The following data elements for the current school year should be completed for each Non-Certificated employee on the payroll as of the last Friday in September.

PERSONNEL INFORMATION / BASIC DATA ELEMENTS

Input/update the personnel information data (see section II (A) Staff Demographics/Basic Data Elements for all employees).

Update current year employment data for all non-certificated employees included in the prior year ISEE program. Add assignments for new non-certificated employees for school year 2019-2020.

Base School ID

From the SDE Assigned school number. Code employees with more than one building assignment to the building where they have their primary responsibility or where they receive their mail.

Is Paraprofessional (section 7)

Is this staff member a Paraprofessional working with students? That is, does this staff member have para-professional assignments, is not treated as a certified staff member for those assignments, and works under the direction of certified staff? (Yes or No).

Employment Date (Month/Day/Year) (section 7)

Enter the month, day, and year the employee began current, continuous employment with the district. If a certificated employee is being added as a non-certificated employee, use the date of non-certificated employment.

Employment Status (section 7)

The employee's employment status.

A – Active:

Employee with current assignments.

I – Inactive:

The employee is currently on an active contract within the district, but not currently working or having active assignments (i.e. does not have any currently active assignments, but is expected to return to active status at some point in the future). Examples include: sabbatical, family leave, maternity leave, etc.

T - Terminated employee is no longer employed by the district.

Note: If either “inactive” or “terminated” is indicated, a “reason” code and an effective date must be included (terminationDate and terminationReason).

Termination/Inactive Date (Month/Day/Year) (section 7)

If the status code “inactive” or “terminated” is used, enter the month, day, and year that the employee became or will become inactive or terminated. Leave blank for active employees.

Termination/Inactive Reason Code (section 7)

If either inactive or termination is indicated, list the code which best describes the reason for the change in status. Leave blank for active employees.

Inactive reason codes:

- 11 - Leave of absence
- 12 - Parental/family obligation
- 13 - Service in foreign country
- 14 – Military

Termination reason codes are as follows:

- 01 - To work for another educational institution in Idaho
- 02 - To work for another educational institution outside Idaho
- 03 - Leaving education profession
- 04 - Returning to school
- 05 - Spouse transferred
- 06 - Retirement
- 07 - Death
- 08 - Reduction in force
- 09 - Personal reasons
- 10 - Involuntary termination
- 15 - Contractor no longer paid on district payroll
- 16 - Early retirement incentive program participant
- 17 - Changing certificated to non-certificated position within the same district
- 18 - Changing non-certificated to certificated position within the same district

Assignments and Wages

Enter the assignment code, FTE, rate per hour, hours per week, and weeks per year for each non-certificated position.

Important: Leave the contract number (contractNo) field blank for non-certificated staff.

Assignment Code (section 8)

- Enter the assignment code that best describes the particular non-certificated position (97XXX series).
- Enter the primary (highest total wage) position first.
- Limit reporting to three non-certificated assignment codes per employee.
- Non-certificated assignment codes also begin with “97XXX” series

Important: Do not use non-certificated assignment codes to report positions for which certification standards exist. Employees in such positions must be reported as certificated staff. This action may result in funds being withheld. (I.C. §33-1002(6) (d))

Idaho Statutes 33-513 and 33-1201 clearly mandate all professional staff hold a valid certificate for the service being rendered. Regardless of the funding source, the salary amount for every non-certificated teacher is subtracted from the foundation payment.

See I.C. §33-1002(6) (d) “Adjustment of District Share. The contract salary of every non-certificated teacher shall be subtracted from the district’s share as calculated....”

FTE (section 8)

Enter the full time equivalent status for the assignment based on the number of hours worked per year divided by 2080 hours.

Non-Certified Rate Per Hour (section 8)

Enter the employee's rate of pay per hour (\$7.50 reported as 7.50).

Adjust the rate per hour to include any extra-pay, overtime, bonuses, etc.

Important: Do not overstate the actual number of hours worked to adjust for this additional pay.

Note: Salaried non-certificated employees and non-certificated employees paid a "flat" amount need to have their pay converted to an hourly rate for ISEE purposes.

Non-certificated employees are limited to a maximum of 1 FTE or 2080 hours.

Example: Carol, a non-certificated employee, is hired as the drill team coach for \$2,000. It is estimated that the drill team will practice from September through March (7 months) and there will be five 1-hour sessions per week. Carol's hourly rate would be \$14.29 per hour.

7 months x 4 weeks per month = 28 weeks x 5 hours per week = 140 hours

\$2,000 divided by 140 hours = \$14.29 per hour

Non-Certified Hours Per Week (section 8)

Enter the number of hours, rounded to the nearest half hour that the employee works each week. A 40-hour and 14 minute week would be reported as 40.0 while a 40-hour and 15 minute week would be reported as 40.5.

Non-Certified Weeks per School Year (section 8)

Enter the number of weeks (rounded to the nearest week) that the employee is scheduled to work during the fiscal year. The ISEE program will not accept a fraction of weeks.

Example: Louise, a teacher's aide, works 6 hours per day for a full-school year. She is not required to attend staff development meetings of which 22 hours are planned for the school year and is paid \$12.00 per hour. ISEE information for Louise is calculated as follows:

1,040 Total hours scheduled
- 22 Staff development hours
1,018 Actual hours scheduled

1,018 hours divided 6 hours per day, divided by 5 days per weeks = 33.9 weeks = 34 weeks.

Assignment Start Date (section 8)

The date this assignment starts.

Assignment End Date (section 8)

The date this assignment ends.

VI Non-District Contracted Certificated Staff

Non-District Contracted Certificated Staff may be reported on ISEE Form 6 when districts have unutilized FTEs (instructional or pupil service). See Appendix A for a copy of the manual form and additional information.

Note: *This form is not applicable to Charter Schools.*

The forms are available in PDF and Excel formats and can be downloaded from the ISEE website. The forms are due by **December 16, 2019 for the February payment** but may be submitted at any time during the year without requesting permission. (Submit the form to Public School Finance for processing.)

Non-district contracted certificated staff are those individuals not directly employed by the district. No social security and/or retirement benefits are withheld from the amount paid the contracted person. Payments for these individuals' work are not included with your employees but rather with purchased services.

Note: *All non-district contracted certificated staff shall adhere to the standards existing for the services being rendered.*

Please note the following in completing the Non-District Contracted Certificated Staff forms:

- Complete ISEE Staff Form 6 for "Non-District Contracted Certificated Staff"
- Use same basic guidelines as for Certificated Staff (see section above)
- Forms require special handling by the SDE
- Submit forms to SDE

CONTRACT

Contracted Amount

Enter the contractor's salary as it appears on the contract. Round to the nearest dollar (e.g. \$32,703.45 = 32703). Report only the salary portion of the contract.

Days

Enter the number of days on the contract. For staff contracting on a monthly basis, calculate the number of days using a five-day workweek (total number of weeks times 5). For consistency on twelve-month contracts, enter 250 days.

Full-Time Equivalents (FTE)

The FTE must be calculated for those employed less than a full school year, fewer than five days per week, or less than a full school day. If a contractor is working less than a full day for the entire school year, divide the number of class periods at work by the number of periods in the usual day to determine FTE.

Important: *Maximum = 1.00*

Example: *Ms. Gray, a certificated Speech/Language Pathologist, evaluates students 2 periods per day for the full school year. The school usually has 7 periods per day. The FTE for Ms. Gray is 2/7 or 29% (0.29).*

CONTRACTOR FUNDING SOURCE

The funding source provides information about how each contractor is funded. This section must be completed.

Only approved Summer Alternative Secondary Schools and Programs need to be reported.

Alternative Secondary Summer School certificated staff shall hold the proper credentials or State funds will be withheld. A summer alternative certificated employee must be the teacher of record for student alternative summer enrollment and attendance.

Important Data Elements and Option Codes for Summer School Funding

Summer Alternative Secondary School certificated personnel must be reported as a separate contract.

STAFF DEMOGRAPHICS

Contract Type (contractType): Use option code **AS (Approved Alternate Summer School)** to designate alternative summer school.

***Contract Base Salary** (e.g. \$3,000 = 3000) Round to the nearest dollar.

- Enter the employee's salary for the summer alternative secondary school contract. The figure should not include any amount for extra pay such as coaching or driver education.
- If the employee is paid on an hourly basis, calculate the base salary by multiplying the total number of hours worked by the employee's hourly rate of pay. **Required field - do not leave blank.**

***Contract FTE:** Summer FTE equals the total number of hours contracted divided by 900 hours for certificated staff.

***Contract Days:** Enter the number of days the employee is employed for the summer alternative program.

****Required fields - do not leave blank.***

***Contract Hours:** Enter the total number of hours the certificated employee works in the summer alternative program. Maximum number of hours is 900 per year for an alternative school. Each summer school session is 225 hours.

****Required field - do not leave blank.***

Example: If an employee is teaching 2.88 hours per day, five days a week for five weeks you would enter 72 hours in the "Total Hours" box. $((2.88 \text{ hours} \times 5 \text{ days per week} \times 5 \text{ weeks}) / 900 \text{ hours} = .08 \text{ FTE})$

SUMMER SCHOOL ASSIGNMENTS

School ID (schoolID): Enter the **approved alternative summer school number** in which the assignment takes place. Other school IDs will not be recognized for funding purposes.

Contract Number (contractNo): The number of the contract associated with this assignment - contract **1, 2 or 3**.

Assignment Code (assignment): Enter the ISEE Assignment Code that best describes the particular teaching, support, and/or administrative position.

Note: Refer to 2019-2020 Assignment Credential Manual.

Important: Funding shall be withheld if staff do not hold the proper credentials or endorsements.

Assignment FTE: Summer school FTE equals total hours taught divided by 900 hours.

Note: the sum of the assignment FTE(s) must equal contractFTE1, contractFTE2, or contractFTE3.

Example: Ms. Smith holds a contract to teach 72 hours during summer school. The alternative summer school contract FTE1 is .08 FTE (72 hours/900 hours). Mrs. Smith teaches two classes. Each assignment FTE is .04 FTE (36 hours/900 hours). The sum of the two assignment FTEs equals the contract FTE1 of .08.

NON-CERTIFICATED STAFF

Enter non-certificated employees working only during the summer months in 2019 at an Approved Alternative Summer School 2019-2020 data collection.

Note: Do not enter non-certificated employees working 12-months of the year unless the position is unique to the approved Alternative Secondary Summer School.

Summation: Key components for approved Alternative Summer School funding

Staff Demographic File

- Summer school separate contract 1, 2 or 3
- Summer school contract type “AS”
- Allocation of summer school FTE (number of hours taught / 900 hours)

Staff Assignment File

- Summer school approved ID
- Assignment Start Date and Assignment End Date must correspond to attendance and enrollment.

Example1:

Instructional staff new to teaching in Idaho who hold a certificate from another state and who are approved to teach in Idaho.

Example2:

Instructional staff with an Idaho certificate who did not hold an active contract during the 2014-15 school year and or had a gap in certificated experience.

The data on ISEE Form 8 will be added as a permanent employee record in the core database. Without this information, the teacher will not be placed on the career ladder correctly or funded properly.

Important: *Do not use this form to enter data for first year instructional staff. If a correction is required, please contact Public School Finance to determine the best way to correct placement.*

Certified Provider Tables														\$ 827,277		14.44			\$ 2,500				

Save the All Personnel Employment Report in Excel or pdf format. There are two tabs in the Excel file. The first tab is the certificated staff report and the second tab is the non-certificated staff report.

Review all data fields for accuracy. Ensure all staff assignments and funding codes are correct.

Important: If an employee is paid from multiple funding sources, review the allocations to ensure the sum of the fund source percentages equals 100(%).

This report is the detail of all certificated staff (all funds) reported as of the last Friday in September and includes alternative summer school staff. If data is incorrect or missing, review the Staff Assignments FTE report to ensure all assignments are entered correctly. Make corrections in your records and resubmit the files.

Business Rules (key data elements for the certificated staff report):

1. Data field "isCertified" must be "Y"
2. Year of initial certification must be populated
3. Employment status must be active on the snapshot date or during summer school

4. Employee must have active assignments on the snapshot date or during the summer school
5. Experience and education fields must be populated
6. Base salary amount must be populated
7. If the Contract FTE is greater proportionally than the minimum salary, then the FTE is reduced

Example: If Contract FTE is 0.50 and the base salary is \$10,000, then the FTE is reduced to 0.29 (10,000/34,600).

8. Base contract must have corresponding assignment codes with the correct contractNo entered. Each contract is a stand-alone contract and shall be considered on its own merits.

Example: A teacher has one full time contract and four assignments. Each assignment must have contractNo entered. The number entered in the contractNo field must correspond to the first, second or third contract (not to be confused with contract type). See examples in the contract section above.

9. The sum of the assignment FTE(s) must equal the contract FTE
10. Fund source code and fund source percentage fields must be populated
11. If the employee has more than one contract, the fund code and fund source percentage fields must be entered for each contract
12. The sum of the fund source percentage(s) must equal 100 for each contract.

13. Assignments must be active on the snapshot date and required data fields must be entered.

14. Assignment start date and assignment end date must be valid

Example: Assignment start date is 8/01/19 and the assignment end date is 1/30/19. This data will not be included due to the end date being incorrectly listed as a date before the start date.

Common Issues:

1. The data field “isCertified” entered as “N”
2. The assignment contract number does not correspond to a valid contract or the contract does not have corresponding assignments

Example: A teacher has two contracts:

- 1.) contractFTE1 = 1.0
- 2.) contractFTE2 = 0.14

The sum of the assignment FTEs for contractNo 1 equals 1.14 and there are no assignments for contractNo 2.

Both contracts are invalid for funding purposes.

3. The summer school contract type is invalid, only AS (Alternative Summer) is acceptable
4. The summer school assignments do not have a corresponding approved alternative summer school building number entered in the schoolID field
5. The variance between the contract FTE and the sum of the assignment FTE(s) is greater than 1%
6. The assignment code is inactive or invalid
7. The assignment start date and end date are not valid or do not indicate an active status on the snapshot date
 - a. The assignment start date is after the snapshot date; thus, there are no active assignments on the snapshot date
 - b. The assignments end prior to the snapshot date resulting in no activity on the snapshot date (this is not applicable to summer school assignments)
8. FTE is reduced due the amount entered in the contract base salary (see the example on line 7a in the above business rules).
9. Funding source percentage(s) do not equal 100.

Example: *For example, a teacher works half a day and holds a contract for 0.50 FTE. The teacher is paid solely from fund code 10. The district entered the funding percentage as 50. The teacher will be missing from the report due to the incorrect allocation of funding (the sum of the funding sources must equal 100).*

- a. The second contract is not on the funding reports due to missing entries of Funding Source Codes and Funding Source Percentage(s). Each contract must have corresponding funding source code(s) and percentage(s).

Review all data fields for accuracy. Ensure all staff assignments are correct. If an employee is paid from more than one funding source, review the allocation to ensure the percentages equal 100 (%).

Non-certificated FTEs equal (hours per week x weeks per years) / 2080 hours.

Important: If the employee's total FTE is greater than 1.0, correct the errors and resubmit the files.

When an employee has more than one assignment, check the data entries for reasonableness (e.g. in total the person would not work more than 40 hours per week or more than 52 weeks during the year).

Note: *The sum of the funding code 10 FTEs and sum of the funding code 10 Salaries are the data used in the Salary and Benefit Apportionment.*

If data is incorrect or missing, review the All Personnel Employment Report for possible discrepancies. Review the Staff Assignments FTE report to ensure all assignments are entered correctly. Make corrections in your system and resubmit the files. This report includes summer school FTEs.

In order to establish cohorts for instructors without a FY20 record, districts must submit the new hires' degrees and years of experience as of September 2014 to Public School Finance via the Form 8. The data will then be added as a permanent record in the core database (see Appendix A – 2019-20 ISEE Form 8).

Note: Only certificated instructors with demographic records and accurate data paid from the general fund code 10 will populate the Instructional FTE & Salary Report.

Important: If the Current Career ladder Placement col (c) is blank, refer to 2019-20 ISEE Form 8.

Part II of the Instructional Staff FTE & Salary Report lists each instructor's fund source code 10. FY15 and FY20 education and years of experience are on the report. FY20 career ladder base salaries are compared to the amounts the instructors would have made had the career ladder not been implemented. If an instructor would have earned more by using the FY15 method of calculating salaries, the difference adds to the teacher's base salary. Adjustments are in Part I, column (e).

QUALIFYING FTE PLACEMENT

(2) In determining the experience factor, the actual years of certificated service as pupil personnel services staff, teaching and administrative service for administrator certificate holders in a public school, in an accredited private or parochial school, or beginning in the 2005-06 school year and thereafter in an accredited college or university shall be credited.

(3) In determining the education factor, only credits earned after initial certification, based upon a transcript on file with the teacher certification office of the state department of education, earned at an institution of higher education accredited by a body recognized by the state board of education, shall be allowed; however, successful completion of a state approved evaluation training and proof of proficiency shall be counted as up to three (3) transcribed credits for determination of the education factor and meeting recertification requirements.

2019-20 SALARY BASED APPORTIONMENT

Placement on the Career Ladder

Instructional Staff:

1. New staff in their first year of holding a certificate shall be placed on the first rung of the career ladder, R1.
2. Returning instructional staff will advance under the following criteria:

Note 1: For career ladder movement only, the certificated contract requirement can be less than 0.50 FTE and still count towards movement.

Note 2: For movement on the career ladder only, higher education work experience cannot be counted towards placement/movement for instructional staff if it was after the 14-15 school year.

- a. R1 -> R2, R2 -> R3, advance if a certificated contract is held in the prior year. Otherwise they will remain at prior placement funded at 19-20 levels.
 - b. R3 -> P1, advance if a certificated contract is held in the prior year and the staff member holds a professional endorsement in the current year. Otherwise they will remain at prior placement funded at 19-20 levels.
 - c. P1 -> P2, P2 -> P3, etc., advance if they held a certificated contract in the prior year and met the evaluation and student performance criteria outlined in I.C. 33-1001(20) in at least 2 of the last 4 years (15-16, 16-17, 17-18, 18-19). Otherwise they will remain at the prior placement funded at the prior year levels. If the prior year was also already held, it will continue to be held at that year's level (e.g. those funded at 17-18 levels in 18-19 who did not meet the performance criteria requirement above would be funded at 17-18 levels in 19-20 as well). This also affects the funding year used for Education Allocations as well.
3. Align experienced out of state staff with experienced Idaho staff by determining their cohort in 2014-15 (or first year of certificated experience if after 14-15) and advancing for each year a certificated contract was held, then advancing to 19-20 based on the appropriate criteria for each year. To place experienced Idaho teachers with a break in employment, follow the same process. Refer to 2019-20 ISEE Form 8.

Pupil Services Staff:

1. New staff in their first year of holding a certificate shall be placed on the first rung of the career ladder, R1.

Note 1: For career ladder movement only, the certificated contract requirement can be less than 0.50 FTE and still count towards movement.

Note 2: For movement on the career ladder only, higher education work experience cannot be counted towards placement/movement for pupil services staff if it was after the 15-16 school year.

2. Returning pupil services staff will advance under the following criteria:
 - a. R1 -> R2, R2 -> R3, advance if a certificated contract is held in the prior year. Otherwise they will remain at prior placement funded at 19-20 levels.
 - b. R3 -> P1, advance if a certificated contract is held in the prior year and the staff member holds a professional endorsement in the current year. Otherwise they will remain at prior placement funded at 19-20 levels.
 - c. P1 -> P2, P2 -> P3, etc., advance if they held a certificated contract in the prior year and met the evaluation and student performance criteria outlined in I.C. 33-1001(20) in at least 2 of the last 4 years (15-16, 16-17, 17-18, 18-19). Otherwise they will remain at the prior placement funded at the prior year levels. If the prior year was also already held, it will continue to be held at that year's level (e.g. those funded at 17-18 levels in 18-19 who did not meet the performance criteria requirement above would be funded at 17-18 levels in 19-20 as well). This also affects the funding year used for Education Allocations as well.
3. Align experienced out of state staff with experienced Idaho staff by determining their cohort in 2015-16 (or first year of certificated experience if after 15-16) and advancing for each year a certificated contract was held, then advancing to 19-20 based on the appropriate criteria for each year. To place experienced Idaho teachers with a break in employment, follow the same process. Refer to 2019-20 ISEE Form 9.

Basic Guidelines - Quick Reference & Reminders

For Reporting Certificated Staff Experience & Education

Important: Update staff experience and education for all certificated staff for the 2019-2020 school year.

The Career Ladder does not alter this process. The education allocations for FY20 are derived from updated 2019-2020 data.

Basic guidelines for reporting completed teaching or administrative experience:

1. Only report prior, completed years.
2. Do not count the current school year (it is not completed).
3. Include only certificated teaching or administrative position experience.
4. Include only experience from a public school or an accredited private or parochial school.
5. Do not include Pre-K experience.

Exception: early childhood special education in a public school or an accredited private school.

6. A qualifying teacher and/or administrator must physically work 50% or more of a given school year less than 0.50 FTE does not count.
7. Each year is considered on its own; partial years cannot be combined (count 1 or zero).
8. A qualifying staff member must be an employee of an accredited public, private, parochial school or accredited college or university.

There are five categories of years of experience:

1. Years in public Idaho K-12 schools.
2. Years in public K-12 schools excluding Idaho (out of state).
3. Years in private or parochial K-12 school.
4. Years in teaching in Idaho higher Education (must be equivalent to K-12 teacher's contract and on or after the 05-06 school year).
5. Years in teaching in higher Education excluding Idaho (out of State) (must be equivalent to K-12 teacher's contract and on or after the 05-06 school year).

Important: Do not duplicate years of experience. Each category is a component of total years of completed experience.

Basic guidelines for reporting additional college transcript credits earned beyond the degree reported and initial certification (FY15 I.C. §33-1004A):

1. Credits must be from an accredited college or university (courses for which academic credit is awarded by an accredited college or university and can be used towards a degree).
2. The reporting District/Charter must have an official transcript on file before these credits may be claimed.
3. Report all eligible credits in semester credit hours only.
4. One (1) quarter credit hour converts to 0.67 semester credit hour. Round fractions down to the nearest credit.
5. In-service credits do not qualify.
6. Continuing Education Units (CEUs) do not qualify unless the credits are a result of courses taken for college credit.
7. Provisional, Temporary, or Emergency permits do not necessarily meet the requirements of initial certification. Contact Teacher Certification for assistance.
8. The issue date of the initial certification remains the same regardless of certification status (active or inactive).
9. Credits must be earned prior to the last Friday in September (same as the requirement for counting completed years of experience).
10. All credits and degrees earned must be in a relevant pedagogy or content area as determined by the State Department of Education.
11. If an employee is on your payroll, report them in ISEE. Staff demographic and staff data are entered as annualized amounts.

Experience & Education History:

Update at the beginning of the year. Review prior year work history to ensure the FTE reported is accurate.

Examples:

1. *A teacher left unexpectedly in December and did not complete the entire year.*
2. *A new teacher hired in March working full weeks but the number of hours worked for the remainder of the year divided by 1,380 hours is less than 0.50*

Do not count these year as one.

Important: *Sum of assignment FTEs must equal contract FTE.*

Contract Rules:

1. One contract shall not exceed 1 FTE.
2. Each certificated employee may have up to 3 contracts (regular, summer, evening).
3. Each contract stands alone and is considered on its own merits.
4. The sum of the contract FTE's may exceed 1, provided each contract does not exceed 1 FTE.
5. Each contract must have corresponding certificated assignments.
6. The sum of the certificated assignment FTEs must equal the contract FTE.
7. Each contract shall have corresponding funding source code(s).

Non-Certificated Employment:

Assignment FTE = (hours per week x weeks per year) / 2080 hours.

Note: Leave the contractNo blank for classified assignments.

Reporting not required for:

- Persons employed during emergencies.
- Irregular help (i.e., short term substitutes, volunteers, etc.).
- Non-district contracted staff (report on ISEE Form 6, if applicable).

Certificated Staff Member Not Having the Proper Credentials:

Important: Funding may be withheld in such cases (I.C. §33-1002(6) (d)). Work with Teacher Certification to resolve these issues.

Validate and verify all data before and after submitting:

Review staffing reports after the October and November submissions.

Review budgeted estimates:

Number of FTE, factored index, etc. Compare to reports and resolve all discrepancies.

Work with HR to ensure staffing data is updated:

Ensure additional credits earned since the prior year are accurate. Review years of experience.

After the October data is uploaded

Run the ISEE staffing reports to ensure the data is correct and agrees with payroll records and budgeted numbers.

Note: Only staff members with an active contract and assignments as of the last Friday in September are funded (summer school is included). Anyone hired after the last Friday in September will not be funded. There is an exception to this rule if a position was advertised as open on the school district website prior to October 15th and no qualified applicants were received prior to that date. The instructional employee must be hired prior to January 1st and the district must provide documentation supporting the claim, such as the job posting.
