

Idaho's Revised Specific Learning Disability (SLD)

Eligibility Criteria

For information and access to Idaho's newly revised SLD eligibility forms, please contact Maddison Rice at mrice@sde.idaho.gov or 208.332.6896.

These SLD Initial Eligibility and Reevaluation forms, created by the Department, provide detailed guidance for LEAs not using Idaho's statewide IEP platform, EDPlan. LEAs must share these forms with their specific IEP platform vendor to ensure that the SLD eligibility process within the vendor's platform aligns with the revised eligibility criteria outlined in the state forms.
