

Welcome to Advanced Opportunities!

Please see below for the first steps to navigating the Advanced Opportunities program.

1. View the welcome to [Advanced Opportunities video](#).
2. Sign up for the [Advanced Opportunities newsletter](#) and the [Next Steps newsletter](#) if you haven't already signed up.
3. Create an Advanced Opportunities account based on your institution.
  - **For school district employee access:**
    1. [Register your school district email](#) with Idaho State Board of Education.
    2. [View video](#) to learn about the different Advanced Opportunities roles.
    3. Contact your district IT staff directly to request your Advanced Opportunities role be assigned.
      - You can also use this [email template](#) to send to your school IT staff to request role access.
  - **For college user access:**
    1. [Register your school email](#) with Idaho State Board of Education.
    2. [View video](#) to learn about the different Advanced Opportunities roles.
    3. Contact the Advanced Opportunities team to have your user role assigned, once you have registered your email include your college and user role you are requesting to [advancedopportunities@sde.idaho.gov](mailto:advancedopportunities@sde.idaho.gov)
4. Join us for a new Advanced Opportunities training session. You can view the [scheduled training sessions](#) on our website or contact an Advanced Opportunities Regional Contractor for details.
  - For North Idaho and Treasure Valley areas, please contact Helen Savage at [hsavage@sde.idaho.gov](mailto:hsavage@sde.idaho.gov)
  - For Magic Valley and Southeastern areas, please contact Rebecca Mattucci at [rmattucci@sde.idaho.gov](mailto:rmattucci@sde.idaho.gov)
5. Fully experience and learn more about your Advanced Opportunities role by attending the [Waypoint Conference](#).

For additional information, please refer to the [District User Manual \(Idaho.gov\)](#) or visit our website at <https://sde.idaho.gov/student-engagement/advanced-ops/>
