Funding Requests – Discussion / Work

Discuss:

- Should students or district personnel enter funding requests?
- If district personnel enter the funding requests, should students still have an account?

Work:

- Check out “New Student” requests. Approve any that are waiting.
- Choose a student and enter a course or exam (if you don’t have a specific student, try going through the steps of adding a course or exam without a name).
- Try to edit any classes or exams that you’ve already entered.
