Summary of Expenses for FY 2022 ISAT Remediation Funds

The chart below summarizes the usage of FY 2022 ISAT remediation funds, as reported by districts and charter schools to the SDE. Slightly over three-quarters of funds were used to support personnel. The second highest percentage of funds were used to support technology expenditures. Individual districts and charters reported varied distributions of their funds, with different entities spending between zero percent and one-hundred percent of their ISAT remediation funds in Personnel, Technology Expenditures, and Curriculum/Materials.
