

December 1, 2023

The Honorable C. Scott Grow, Co-Chair  
The Honorable Wendy Horman, Co-Chair  
Joint Finance-Appropriations Committee  
Idaho State Capitol  
Boise, Idaho

Dear Senator Grow and Representative Horman,

The Idaho Department of Education is pleased to submit the enclosed report to the Joint Finance-Appropriations Committee pursuant to Senate Bill 1209 and House Bill 353. This report provides a comprehensive overview of the Department's acquisitions valued at more than \$25,000 signed during the fiscal year 2023.

In accordance with Senate Bill 1209 and House Bill 353, the report includes the following information for each identified acquisition:

- Amount;
- Duration;
- Parties;
- Subject;
- Whether the contract was awarded as a result of an open, competitive acquisition process or a sole source or other noncompetitive procurement; and
- Rationale for signing any sole source or other noncompetitive procurements.

I am available to answer any questions the committee may have.

Sincerely,

*Kristine Moriarty*

VJS is the only product we have seen that provides high quality content and the platform ability to create our own lessons and integrate content into these lessons. Virtual Job Shadow also allows our program to operate as super administrators in order to pull required usage data or to create assignments that meet program objectives. This year, Virtual Job Shadow and Neptris became the same company. Many state programs are using Neptris to provide students with exposure to careers in the classroom. GEAR UP will be able to benefit from training and support already being provided by Neptris through other state partners and using Neptris will allow our school districts to be able to collaborate with other districts already using this product. The Neptris/Virtual job shadow combination provides GEAR UP with a flexible solution for providing services in our many models of implementation and the two products combined assure our students have access to the best possible live and asynchronous career discovery resources possible. This variety of service does not exist in any other single product.
