Idaho Department of Education Report – 33-1007 Gifted and Talented Education

GIFTED & TALENTED EDUCATION FY2024 HIGHLIGHTS

Qualitative/Quantitative Data

- In May 2024, Idaho traditional school enrollment was 279,533 with 13,936 identified as gifted, 5.0% of all Idaho students. This is a small increase from 4.6% in Spring of 2023.
- IDAPA code 08.02.171.02 requires "each school district shall develop and write a plan for its gifted and talented program." 81% of school districts are complying; as of December 2024, twenty-two (22) traditional districts are missing their current 3 Year GT Plans. (Of those who have not submitted 3-years plans, approximately half of the LEAs are working with GT Facilitators to complete and submit the required plan.)
- 45% of traditional school districts (52 districts) in Idaho have reported zero (0) gifted students in ISEE. This is not in compliance with IDAPA code 08.02.03.171.03 requirements. (See Table 1. Please note, notation of 0 students/0% does not represent that zero students in the LEA are GT; these numbers represent zero (0) students have been identified and/reported. Based on national averages, reporting of zero is likely a result of no screening or assessment, or inaccurate district reporting.)
- House Bill 620 (2017) allowed funding for professional development increasing attendance to Edufest by 40%. Attendance numbers have steadily decreased from 2018 to 2024.
- Idaho Universities no longer provide the Gifted and Talented Endorsement courses and credits because of lack of enrollment.

Unserved Gifted Students in Idaho

- Idaho schools in almost every district, small and large, do not identify gifted students in three of the five areas mandated by statute: creative, leadership, visual and performing arts.
- Students who are twice exceptional (meaning they have high abilities and disabilities concurrently) are often excluded from gifted programs due to lack of services, qualified staffing, and understanding of this population of students.
- According to the National Association of Gifted Students, 3-6 out of every 100 students are considered gifted or potentially gifted. Based on student counts in each district that reported (0) gifted students, Idaho could be missing up to 215 rural gifted students.

Students who attend small rural schools in Idaho are less likely to be identified as gifted, and if they are, are less likely to receive services.

TABLE 1: FY2024 GT IDENTIFICATION BY DISTRICT

LEA Number	LEA Name**	Total Student Count	Students Identified as GT	% Identified as GT
001	BOISE INDEPENDENT DISTRICT	21998	3299	15.0%
