

June 16th, 2016

Plan Lead: Lisa Colón

Present: Representatives from IEA, IASA, ISBA, Colleges of Education, OSBE, CTE, SDE, and LEA

Meeting Summary: Discussion was primarily around grade level bands for elementary and secondary certificates and the options to solve the issue of individuals teaching outside the certificate grade range. This issue will continue to be discussed at the next meeting on July 6, 2016.

Professional Standards Committee met on June 23-24. They were updated on the Teacher Certification Workgroup (above). The work from the workgroup will be shared with the PSC, and vice versa.
