

September 1st, 2016

Plan Lead: Lisa Colón

Present: External and Internal Stakeholders

Summary: Sent email to stakeholders providing background information on IDAPA Rule 08.02.02 and the proposed amendments to the rule that address the issue of teachers assigned to classrooms outside of the grade ranges they are eligible to teach through their endorsements.

Stakeholders were requested to read through the proposed rule changes, and provide any questions, comments, concerns, or additional feedback by September 16, to be shared at the Professional Standards Commission meeting September 22-23.
