

July 2016

Plan Lead: Elmira Feather

Section of the law addressed: Section 1118(a) and Section 8521 Maintenance of Effort (MOE)

Status: COMPLETED

Summary: Consulted with Julie Oberle in regards to changes to the current MOE process (suggestions, concerns). It will be part of the written manual for Funding Accountability Coordinator and written MOE procedures for the Federal Programs Department. Overall, the changes offer more flexibility and reduce the fiscal burden for LEAs.
